Dear Whitney Point Families,

The Whitney Point Central School District has been working with the Health Department as we have received notification of one CEA staff member and one TRA student with confirmed cases of COVID-19. Information regarding these individual's identities cannot be released. We ask that you please respect their privacy.

According to the New York State Department of Health guidelines, any person who was in contact with a confirmed case will be quarantined for up to 10 days.

**Contact tracing investigations for both cases have been completed. Anyone considered a contact will be notified to quarantine by the Health Department.** Persons needing to quarantine due to the CEA case have been contacted by the district. There are no school-related quarantines related to the TRA case.

We will continue to monitor these situations and keep our community informed.

We appreciate your patience and cooperation as we work to ensure the safety of everyone in our district. We will provide any additional updates via the Whitney Point District Website, [www.wpcsd.org](http://www.wpcsd.org).

Sincerely,

*Patricia A. Follette*
