BE IT RESOLVED upon recommendation of the Superintendent that the Board of Education of the Whitney Point Central School District approve the 2021-2022 Financial Report by Insero & Company CPA's, LLP, Certified Public Accountants and Consultants.

Moved by Tyanna Moseman

Seconded by Brian Jeker

Dr. Widdall asked for an explanation of how school lunches are currently working.

Mr. Woodard stated that there has been free breakfast and after school snacks for the last few years under provision II, but the district did not qualify for free lunches with the exception of the last two years under legislation due to the pandemic. He said that the district could do free lunches, but the taxpayers would need to cover the expense of over \$100,000 per year which would be over a 1% tax burden. He stated that the district still offers free breakfast and afterschool snacks and that families need to qualify for free or reduced lunches by completing the application as in the past, pre-pandemic.

J. SUPERINTENDENT'S UPDATE

Ms. Sexton stated that even with the long list of people under the commendations for Homecoming week, she feels that there are so many still to thank, extending thanks to Lisa Thomas who was very present all week, all who were involved with the high school pep rally, and everyone who helped with the homecoming dance as well.

Mrs. Champney stated that the homecoming dance had 294 students attend this year, the most in several years.

Ms. Sexton stated that Maggie Gilroy has left her position with BOCES, and the district has been without a full-time person in the communications/PR position. She said that she sat in on an interview today and is hopeful for the candidate to accept.

Ms. Sexton stated that the district held its first of a series of Think Tank meetings as part of strategic planning on the district level. The goal is to bring people together to discuss and discover ways to aim toward being the school we think we should be for our students. We are reaching out to alumni, particularly recent graduates to find out what their experience has been post-graduation. If you know anyone who has gotten this survey, please ask them to respond.

Mrs. Gillette stated that the district has reached out to 2020 and 2021 graduates and will continue to move backward and forward. She said that they are asking the graduates to talk to faculty and if they are interested in working with our current students. She added that there have been a handful of responses and that the emails are being sent to personal emails and mailings to parental addresses.

K. COMMENTS FROM THE PUBLIC

None.

L. BOARD OF EDUCATION COMMENTS

Dr. Widdall stated that there are only 20 people signed up for the BOCES Annual Business meeting and that we have been redistricted. We have a single assemblyman, Jeff Gallahan who is running uncontested. She reminded the Board of the national NYSSBA conference in Syracuse.

Ms. Moseman asked if there is a policy for allowing children who are homeschooled to participate in extracurricular activities. She asked if there is a current policy that does not allow them to participate.

Ms. Hayes responded that this topic in reference to sports is beyond the school district and school board's authority and lies with legislation. She said that students who are not bonified students at a school district cannot participate in interscholastic athletics.

Ms. Sexton stated that the information can be found on the NY State Education website and that she would share the information with Ms. Moseman.

Dr. Widdall asked if numbers are currently up for homeschooling in Whitney Point Central School District.

Ms. Sexton responded that there was a slight increase in the beginning of the pandemic, but the numbers have not increased since then.
