2 **Drones and Unmanned Aircraft**

3 Drones, Unmanned Aircraft Systems, and any other such vehicles
4 ("drones"), which are not operated for purposes of district programs or
5 activities, may not be operated on or above district property without the
6 prior written permission of the superintendent or designee. Any authorized
7 use of drones must comply with all state and federal regulations governing
8 the operation of drones, including FAA regulations.

9 Drones owned by the district or operated on or above district property with
10 permission must be operated:

- 11 1. In compliance with this policy and all other district policies;
- 12 2. Only outside the school building(s) in the area authorized or
13 designated by the superintendent or designee;
- 14 3. Under the direct supervision of an individual fully trained and skilled in
15 the system's operation;
- 16 4. By an individual with the requisite skill and training to safely operate
17 the drone; and
- 18 5. Consistent with any other limitations imposed by the superintendent or
19 designee.

20
21 Any monitoring or recording of picture, video, or audio by a drone must have
22 the prior written permission of the superintendent or designee and comply
23 with all board policies governing recordings, data, and records.

24 Any unauthorized use of a drone is strictly prohibited. Devices used in a
25 manner that does not comply with this policy or applicable state and federal
26 law may be confiscated and the operator may be subject to discipline, civil
27 liability, or criminal liability.
