1	12	89%	91%
2	15	90%	90%
3	9	92%	92%
4	20	91%	89%
	44/45		
Total	89	90%	90%

- Warwick School participated in the first state-wide North Dakota Hour of code on December 7th. The Hour of Code started as a one-hour introduction to computer science, designed to demystify "code", to show that anybody can learn the basics, and to broaden participation in the field of computer science. It has since become a worldwide effort to celebrate computer science. Microsoft put out a challenge to have one school in each district join the Hour of Code on code.org. Warwick School had approximately 100 students participate in North Dakota's first ever Hour of Code! Students from high school down to third grade joined in and had a great time experiencing how to code.

- Mrs. Rusten's grade students teamed up with Mrs. Caldwell's high school students to decorate trees and build relationships.

■

- On Thursday, December 13th, December family night was held. The theme was Christmas around the world. Over 85 people participated in the event! Activities included crafts, bingo, special treats from around the world (made by the culinary class), and Santa stopped by to visit! Supper was delicious – chicken breast w/special sauce, carrots and delicious rolls.

- Upcoming events:
 - Wednesday, December 19 – PK/K Family Event 10:00-12:00
 - Wednesday, December 19 – Early dismissal for staff development on effective meeting practices (PLC's)
 - Thursday, December 20 – Elementary Movie in Cooperstown
 - Friday, December 21 – Elementary Bingo and Cookie decorating Extravaganza!
 - Friday, December 21 – Christmas program PK-4, along with some Middle and High School students performing as well
