

SENIOR PRIVILEGE PERMISSION FORM 2022-2023

SENIOR PRIVILEGES: It is the intent of Lidgerwood High School to teach students to make good choices and to use their time wisely. Senior privileges are meant to help our students prepare for life after high school. Seniors must meet the requirements of Senior Privileges before they are granted to them. If a senior has Senior Privileges s/he is only responsible to be in the school building when attending classes. (*Note: seniors leaving school early or leaving school during the day must sign in and out in the main office.*)

The following are the privileges granted to seniors who meet the requirements and are granted Senior Privileges:

1. Students will be able to check out of the building during study hall.
2. Students may leave during Cardinal Block at the end of the day.
3. Students will be able to check out during lunch.
4. Students will be allowed to have a mini-fridge somewhere. TBD
5. Students will be permitted one extra tardy before consequences will be given.
6. Students will be permitted to use the commons (lunch room) to hang out throughout the day.
7. Students will be allowed to wear shorts year-round as long as they come into the school with some type of pants on.

Note: These privileges are given by the administration and can be revoked at any time, either on a student-by-student basis or as a class in whole, as determined by the administration.

Violations of the rules as set forth in the Handbook Agreement will result in the loss of these privileges.

From: Lidgerwood High School Principal

1. If you are tardy for a class beyond the one allowed per nine weeks, the student will make up detention time and lose privileges for two weeks.
2. Senior students may sign out of a Study Hall. Seniors will be permitted to leave the school building. Seniors need to be seated on the benches provided on the lunch tables, and not be lying on the floor. Any complaints of litter or loud noise will jeopardize this privilege for two weeks.
3. If a Senior's work in a class is (D+) or lower on a Monday morning grade check, no privileges will be allowed until grades improve.
4. Any Senior who individually abuses the rules will be disciplined individually.
5. No Senior shall possess or consume alcoholic beverages, or other non-prescription drugs or tobacco products. If you are reported and substantiated, your privileges are terminated immediately. A three-day suspension will take place, plus the High School Activities rules would also apply.
6. Senior privileges will not be extended or continued for any individual whose attitude or citizenship is an issue.
7. Unexcused absence or skipping school is not allowed. Privileges will be taken away and disciplinary action will be taken for time missed.

8. Students with a “B” average or above who have not missed more than 10 days of school for the semester or 20 days for the year do not have to take final tests.

9. Students who lose Senior Privileges the last week in a semester will not be exempt from the semester or final exams.

10. Students are not to bring their own personal laptop computers to school to use during classes or study hall time without prior administrative approval. Personal student computers are not networked to the school’s security system that monitors inappropriate materials that could be displayed at school.
