

December AD Board Report

Hello Warriors, the basketball season is up and running for the boys and girls high school season. The girls started their season our first as we started the season against St. John. We came up short with this game but played hard. Then the girls went out and played two tournaments. One in McClean Co and one in Jamestown. Currently their record is 3-5 in the young season. We have a lot of young girls stepping up and making big plays. We hope to ride this two-game winning streak against ranked Four Winds.

The boys season kicked off against last year's state qualifier St. John. St John shot the lights out on their home court. Everything the put up it went in. We kicked off in our home opener with a win against Midkota. Highlight of the night is was when Paul Thiele drove to the basket on a break way with a one-handed slam. The following night, the boys went to Standing Rock for a long road trip. We came up short with a 62-69 lose. Tonight, December 17 we will play Larimore at home. Hoping we can keep the home court momentum going and go into break with a win. Currently the boys are 1-2. Goal is to get a good seed in the district tournament and get to regionals.

Have a good Christmas Break Warriors
