- Where to get an instrument? If you are looking to rent an instrument, I suggest Buddy Rogers Music at [buddyrogers.com](http://buddyrogers.com) or text "Rentbrm" to 555888. Another option is Facet Pawn in Amelia, they have a wide selection of instruments as well as accessories on hand.

\*Buddy Rogers rentals are interest free, have free repairs, are rent to own, and if you switch instruments, the money you already paid for the old instrument goes towards the new one!

\*\* brands of instruments: Conn, Selmer, Bach, Accent, Cannonball, Jupiter, Vito, Yamaha, Eastman, King, Getzen, Yanigasawa.

\*\*\* Try to avoid buying instruments other than these brands. If you find a really cheap instrument, you get what you pay for!\*\*\*
