**To:** Schenectady Community

From: Anibal Soler, Jr., Superintendent of Schools

Date: April 2023

I am pleased to present the 2023-2024 Budget proposal which again boosts every corner of teaching, learning, student support and the pillars of our district's Strategic Plan. The 2023-2024 Budget proposal of \$265,267,298 reflects an increase of \$26,100,231 million or 10.91% increase from the current year, again, with **no impact on the tax levy.** This is the sixth consecutive year with a budget proposal that does not include any change to the tax levy.

This is possible because it is the third and final year phasing in full implementation of Foundation Aid as well as \$17 million in *Coronavirus Response Relief* and approximately \$41 million in *American Rescue plan relief funds* that continue to be available to the district.

The budget development process began several months ago with school leaders and department heads. We have been aware that Governor Hochul and New York State remain committed to the promise of fully funding Foundation Aid. Since our district is one that has been significantly short-changed over the years, according to the original formula, we are set to receive another significant increase in 2023-2024. This makes a significant difference in the how the 2023-2024 Budget is shaped and serves to support our efforts to continue to boost social emotional and behavioral health, intervention and support services, and toward ensuring that our schools serve as positive cultural and safe spaces so that all students can be educationally successful.

The budget serves to provide proper and full staffing including that of the district operations and maintenance team, school climate and safety which includes family engagement specialists and parent liaisons at each of our schools.

Our student support services team is developed to include 43.4 school counselors, 54 social workers, 25 psychologists and 3 crisis prevention team members. Our team also includes 11 restorative practice specialists, a substance abuse counselor, a mental health counselor, two diversion counselors and three behavioral specialists.

The 2023-2024 Budget also supports the implementation of the secondary redesign including City as Our Campus and Big Picture Learning, the continued development of our Community Schools initiatives, enhanced professional development for all staff, extending learning time and expanded athletic opportunities.

We continue our work to hire exceptional candidates and to ensure a diverse workforce. We have many openings and will work throughout the remainder of the school year and summer to recruit and fill vacancies.

I am pleased to report that our financial health remains in good standing and reserves are at an acceptable level.

Thank you to all in the Schenectady community for your support and partnership. Together, we are #schenectadyrising.

#### **Foundation Aid Survey**

Since we are poised to receive \$45 million in Foundation Aid, we are required to provide an opportunity for school community to provide feedback on our plan for spending Foundation Aid and Contract for Excellence Funding. We have outlined our summary and invite feedback through Let's Talk. The information and feedback form is available here:

https://schenectadycsdny.sites.thrillshare.com/page/feedback-on-foundation-aid-contract-for-excellence

### On the May 16 Ballot -

Polls are open Noon - 9 p.m.

**Voting locations include:** Yates Elementary School, Howe Elementary School, Paige Elementary School, Schenectady High School, Martin Luther King Jr. Elementary School, Mont Pleasant Middle School, Fulton Early Childhood Education Center, and Woodlawn Elementary School.

#### • Schenectady Revitalization Plan 2030

In addition to the 2023-2024 Budget Proposal, when residents head to the polls on May 16, they are also asked to consider the *Schenectady Revitalization Plan 2030* which, if approved, would bring up to \$300 million worth of building renovations and upgrades to our schools over the next seven years. There is no tax impact.

#### • Purchase of Keane Elementary School Building (St. Luke's School)

Voters will also consider the proposal to purchase Keane Elementary School from St. Luke's. The district has been leasing Keane since July 2007 and is now seeking to purchase the school building and property for \$2 million. Purchase of this property would serve to provide much needed space for student enrollment and in the long-term allow for expansion. With the purchase of Keane, there will be zero tax impact.

#### • Location for Family and Community Engagement Center (FACE)

The district continues to seek space in the community for a location for the district's Family and Community Engagement Center (FACE). The goal is to find a central location that the district can rent or purchase within this budget cycle. If an opportunity arises, the details will be presented and this could possibly be on the ballot on May 16 or be presented at a later date.

#### • Elect Three Members to the Board of Education

The Schenectady community will also be electing three members to the Board of Education.

# GENERAL FUND

The General Fund Budget is the operating budget for the school district and is subject to voter approval. A simple majority is required to approve the proposed spending plan unless the budget is anticipated to exceed the maximum allowable tax levy. In that instance a supermajority vote of 60% would be required to pass the budget. The maximum allowable tax levy is determined by an 8-step calculation by the district.

#### 2023-2024 MAXIMUM ALLOWED TAX CAP LEVY: 1.44%

**Proposed 2023-2024 Budget:** \$265,267,298 **2023-2024 Tax Levy Impact:** 0%

The 2023-2024 School Budget Vote will be held **Tuesday, May 16, 2023.** 

## HIGHLIGHTED CHANGES FOR 2023-2024

The 2023-2024 Budget has a 10.91% or \$26 million increase over the 2022-2023 school year without any increase to the tax levy. This is possible because of the \$26.1 million increase in Foundation Aid, federal grant funding such as the American Rescue Plan Act of 2021 (ARP), and New York State's Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA). Both of these were provided in response to the impact of COVID-19.

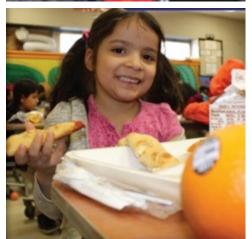

The amount to be levied in 2023-2024 is the same as the amount for the prior four years.

The tax levy is the amount raised by property taxes. The rate is calculated using the taxable value of properties located in the City of Schenectady and a small section of the Town of Rotterdam, and the equalization rate which is established by the New York State Office of Real Property Services.

While the tax rate can only be estimated at this point in time, it is projected to be a decrease for both municipalities.

### **FOOD SERVICE**

### **FUND**

The General Fund Budget is the operating budget for the district's breakfast, lunch and snack programs. This budget is not required to be approved by district voters unless the revenues generated by the program do not cover the expenses. If that happens, a subsidy is required from the General Fund with voter approval of a transfer to the Food Service Fund.

The food service contract is currently held by Sodexho.

Since 2013, the district has participated in the Community Eligibility Program (CEP) which allows the district to provide free breakfast and lunch to all district students. The reimbursement the district receives for students whose family income is below the established levels provides sufficient revenue to cover the loss of revenue for students who previously paid full price for their meals. The budget includes staffing expenses related to supervision of the students during breakfast and lunch.

The District continues to evaluate all kitchen and cafeteria equipment and spaces and will improve all cafeterias and kitchens as needed.

#### Food Service Staff includes the following:

- Food Service Manager
- Farm to School Project Manager
- Food Service Secretary

# SPECIAL AID FUND

The Special Aid Fund is an account the district is required to maintain for the accounting of all grants, summer programs for students with disabilities, and some other programs. Each grant has its own budget, none of which are subject to voter approval. The district receives 80% state aid for summer tuition for students with disabilities who attend approved programs. The remaining 20% is transferred from the General Fund to the Special Aid account, and is included in the the General Fund budget.

### **SCHOOL CLIMATE & SAFETY**

The Office of School Climate and Safety was established in 2021-2022 and is responsible for the safe operation of all district schools and the creation of a learning environment where all students feel comfortable, welcome, and safe. The position of District Director of School Climate and Safety leads the safety team (also known as the "red shirts). Members of this team exist in every building and are charged with the duty of safe operation of district school. All members are trained in school safety concepts and certified in Therapeutic Crisis Intervention for Schools (TCIS). Personnel within this office are responsible for knowing and operating within both the District Level and Building Level Safety Plans.

The office also serves as the district's liaison with the Schenectady Police Department, Schenectady Fire Department, and other community safety resources and agencies by communicating all issues that may require an emergency response. This section of the budget funds the personnel and equipment needed to move the district forward in its goals of creating safe learning environments for students and staff.

### **HIGHLIGHTED CHANGES FOR 2023-2024**

During the 2022-2023 school year, safety team members became an integral part of all district schools. By building relationship with students, families, and all other stakeholders within the district and community, the "concept" of how the team would function became real. With 70+ uniformed safety team members now working full time in the district, the 2023-2024 budget strengthens ares that require some additional assistance. The creation of Senior School Safety Officer positions has continued the practice of taking a tiered approach that allows for professional advancement for personnel within the department.

Several district schools received physical safety upgrades last year bringing them up to a standardized safety level. By teaming with the Facilities and IT departments, funding in the safety budget will allow these advances to continue, as well as continuation of a student ID system that was successfully initiated last year in the secondary schools.

This section of the budget also includes the funding for the agreement with the Schenectady Police Department to assign five Community Engagement Officers (CEOs) and a Supervisor to be stationed full-time within the district

This section of the budget encompasses the funding to Schenectady High School has a main campus and ancillary programs that support our goal of offering students choice during their high school career. The main campus, which is located at the Plaza, is divided into the Freshmen Academy and Leader Communities. The Freshman Leadership Community aspires to create a community among 9th grade students, teachers and staff. It will wrap around and support students as they enter high school. An essential feature of the Freshman Leadership Community will be to give students the opportunity to explore and discover interests, passions and a variety of career fields before they select a SHS Leadership Community Pathway as a continuation of their high school experience.

STUDENT PROGRAM SUMMARY

### 2023 - 2024 SCHOOL YEAR

After a student's Freshman year, they choose one of the four leadership communities that align with their post secondary goals. The Leadership Communities are Business, Marketing, and Entrepreneurship; Humanities, Communication, and Advocacy; Science, Technology, Engineering, and Math (STEM); and visual and Performing Arts. Each Leadership Community is designed to meet New York State's requirement for graduation, but also offer students electives, internships, and guest speakers that align with the theme of their community, thus exposing them to their potential future careers.

Students who attend Schenectady High School also have the opportunity to attend, beginning their freshmen year, City as our Campus or Schenectady's Big Picture Learning. The City as our Campus has two components. The first is the Smart Transfer Early College High School held at Schenectady County Community College's downtown campus, Center City. Our high school partners with SUNY Schenectady Community College, which allows our students to pursue an associate's degree while earning their high school diplomas. Successful students then automatically transfer to a 4-year institution to complete their bachelor's degrees.

The second component of our City as our Campus is The Arts and Theater Leadership Community at Proctors. This is a unique experience for students in grades 10-12 to access professional-level facilities (Proctors Stage, GE Theater, dance studio) and professionals within the performance industry. The focus of this leadership program is to enhance, expand upon, and allow for greater access to current offerings in the Fine Arts department at Schenectady High School.

We also offer students the opportunity to attend our Big Picture Learning program. Schenectady High School's Big Picture is committed to the development of an innovative and personalized school that draws upon our community to help our students learn and grow both academically, socially, and with a personalized college and/or career readiness. The Big Picture Leadership Community will allow students to pursue their passions and provide an environment that supports independent thinking. We will graduate curious learners who have developed a plan for personal growth based on real world experiences.

\*\*\*\*Please use Chrome or Firefox browsers when entering the Business Portal to complete the PTRC. Internet Explorer is NOT recommended.\*\*\*\*\*

Note: Some data elements of the Property Tax Report Card have been revised or renamed to more closely follow the Property Tax Cap calculations districts complete on the Office of the State Comptroller website. Please see the Help text above for definitions. Additional guidance on the Property Tax Levy Limit is available on the Office of Educational Management Services website: http://www.p12.nysed.gov/mgtserv/propertytax/taxcap/.

Please also submit an electronic version (PDF or Word) of your school district's 2023-24 Budget Notice to: emscmgts@nysed.gov. This will enable us to help correct any formula or data entry discrepancy quickly.

Notice: The Enacted Budget allows school districts to establish a reserve fund for NYS Teachers' Retirement System Contributions, effective immediately. This reserve, if applicable, should be reported in the Schedule of Reserves under 'Other Reserve' and with a description that says: "To fund employer retirement contributions to the New York State Teachers' Retirement System (TRS.)"

### SCHENECTADY CITY SCHOOL DISTRICT - NEW YORK STATE REPORT CARD [2021 - 22]

The New York State Report Card is an important part of the Board of Regents' effort to create educational equity and raise learning outcomes for all students. Knowledge gained from the report card about a school or district can be used to improve instruction and inform services to students. The report card provides information to the public on school/district staff, students, and measures of school and district performance as required by the Every Student Succeeds Act (ESSA). Fundamentally, New York State's ESSA plan is about creating a set of interlocking strategies to promote educational equity by providing support to districts and schools as they work to ensure that every student succeeds. New York State is committed to ensuring that all students succeed and thrive in school no matter who they are, where they live, where they go to school, or where they come from.

#### 2022-23 ACCOUNTABILITY STATUS AND SUPPORT MODEL BASED ON 2021-22 DATA

Due to COVID-19 and changes to New York State accountability and federal reporting requirements, 2022-23 accountability statuses and support models were determined using a modified methodology. For more information, see Understanding the New York State Accountability System under the Every Student Succeeds Act (ESSA) for 2022-23 Accountability Statuses Based on 2021-22 Results.

#### TOTAL COHORT REGENTS EXAMINATION RESULTS

A High School Cohort consists of all students who first enter grade 9 anywhere or, in the case of ungraded students with disabilities, reach their seventeenth birthday in a particular school year (July 1 - June 30). The "year" used to identify the cohort is the year in which the July 1 - December 31 dates fall. Results are reported four years after these students first enter grade 9.

Due to COVID-19 and changes to New York State testing requirements, Regents examinations in June 2020 through January 2022 were canceled, with the exception of the June 2021 Regents Examinations in ELA, Algebra I, Living Environment, and Physical Setting/Earth Science. The U.S. History & Government (Framework) June 2022 examination was also canceled. Due to the ongoing impacts of COVID-19, it may not be appropriate to compare 2018 Total Cohort Regents Examinations results with results from prior years.

#### 2018 TOTAL COHORT REGENTS IN ELA

\*\* Please note: The 2018 TOTAL COHORT REGENTS EXAMINATION RESULTS do not reflect the recently refreshed list of NYSED-Approved Regents Examination Alternatives Acceptable for Meeting Requirements for a Local or Regents Diploma. As a result, Local Educational Agencies (LEAs) and individual schools that had students participate in any of the exams recently added to the list of approved alternatives may have participation and/or proficiency rates that are in the process of being updated by Department teams. For more information, please contact Datasupport, or click on the blue Help icon on the bottom left corner of the screen from the public data site report page or any Office of Information and Reporting webpages.

#### 2018 TOTAL COHORT REGENTS IN MATH

\*\* Please note: The 2018 TOTAL COHORT REGENTS EXAMINATION RESULTS do not reflect the recently refreshed list of NYSED-Approved Regents Examination Alternatives Acceptable for Meeting Requirements for a Local or Regents Diploma. As a result, Local Educational Agencies (LEAs) and individual schools that had students participate in any of the exams recently added to the list of approved alternatives may have participation and/or proficiency rates that are in the process of being updated by Department teams. For more information, please contact Datasupport, or click on the blue Help icon on the bottom left corner of the screen from the public data site report page or any Office of Information and Reporting webpages.

#### NEW YORK STATE ENGLISH AS A SECOND LANGUAGE ACHIEVEMENT TEST (2021-22)

New York State English as a Second Language Achievement Tests (NYSESLAT) are administered in grades K through 12 to all English Language Learners (ELLs). ELLs are students who, by reason of foreign birth or ancestry, speak or understand a language other than English and speak or understand little or no English, and require support to become proficient in English and are identified pursuant to Section 154.3 of Commissioner's Regulations.

Due to the ongoing impacts of COVID-19, it may not be appropriate to compare 2021-22 NYS standardized assessment results with results from prior years.

# Comparison: How do per pupil expenditures compare?

## Report View One: How Much is Being Spent on Instruction and Administration?

For traditional school districts, school level data (entries A through D) represent the average per pupil school level expenditures for all schools in the district. For charter schools, these entries reflect school level expenditures for the particular charter school only. Entries E through H reflect central expenditures.

Total spending (entry I) represents all non-excluded per pupil expenditures. For traditional school districts, this represents the average per pupil expenditures of all schools in the district. For charter schools, this represents per pupil school level expenditures.

Report View One Per Pupil Expenditure Categories	SCHENECTADY CITY SD
>> A. Instruction (A1 + A2 + A3 + A4)	\$10,153.20
>> B. Administration (B1 + B2 + B3)	\$786.65
>> C. All Other Spending (C1 + C2 + C3)	\$1,012.64

Report View One Per Pupil Expenditure Categories	SCHENECTADY CITY SD
D. Total School Level (A + B + C)	\$11,952.48
>> E. Central Instruction (E1 + E2 + E3 + E4)	\$900.03
>> F. Central Administration (F1 + F2 + F3)	\$1,218.75
>> G. All Other Central Spending (G1 + G2 + G3)	\$4,112.13
H. Total Central Costs	\$6,230.92
I. Total Spending (D + H)	\$18,183.40

## Report View Two: How are the Local/State and Federal Funds Spent?

Report View Two presents the same expenditures reported in View One, but disaggregates that spending by local/state/federal/other revenue source.

For traditional school districts, school level data (entries J and K) represent the average per pupil school level expenditures for all schools in the district. For charter schools, these entries reflect school level expenditures for the charter school. Entries L and M reflect central expenditures.

Total spending (entry N) represents all non-excluded per pupil expenditures. For traditional school districts, this represents the average per pupil expenditures of all schools in the district. For charter schools, this represents per pupil school level expenditures.

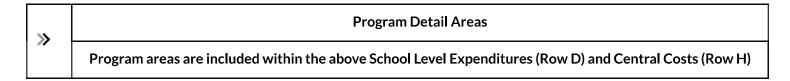

Report View Two Per Pupil Expenditure Categories	SCHENECTADY CITY SD
J. Total School Level Local/State Spending	\$11,165.14
>> K. Total School Level Federal Spending	\$787.35
L. Total Central Level Local/State Spending	\$5,822.00
M. Total Central Level Federal Spending	\$408.92
N. Total Spending (J + K + L + M)	\$18,183.40

## Detailed Spending: How Much is Spent Per Pupil in Selected Program Areas?

Program Area Details in entries O through Z represent subsets of spending in Report View One and Report View Two. Five program areas are broken out. To calculate per pupil expenditures P-12 enrollment is used for pupil services, community schools programs, and BOCES services. Enrollments for the program areas are used for special education, ELL services, and prekindergarten.

Entries O through T represent school level expenditures. For charter schools, data represents per pupil expenditures in each of category in the selected school. For traditional school districts, data under the district column represent the district average of all schools in each of these categories.

Entries U through Z represent central expenditures.

\*The district or charter school did not report any enrollment in this category and a per pupil value cannot be calculated. Instead, this item reflects the total reported expenditures, not a per pupil value as is shown elsewhere on the report.

## Exclusions: What Other Spending is not Included in the Per Pupil Amounts Shown Above?

The final section represents total expenditures, with the following exclusions that were not included in the per pupil expenditure calculations above: transportation, tuition, debt service, and other.

"Other Exclusions" include expenditures such as tuition for students attending BOCES full-time, services provided to nonpublic or charter schools, prekindergarten payments to community-based organizations, and community services.

Excluded Expenditures	SCHENECTADY CITY SD
