ACADEMIC ELIGIBILITY

Requirements & Summer School Credit

Students and parents are reminded that a high school student must pass seven classes the previous semester to maintain eligibility for athletics. Therefore, a student must pass seven classes this semester to be eligible to compete in athletics in the Fall of 2023.

A student may also use credit earned during summer school to restore Fall semester eligibility. The credit must be in a class required for graduation. Elective courses and correspondence courses cannot count for purposes of restoring eligibility. No more than one credit earned in summer school may be counted toward maintaining

academic eligibility. Please contact Todd Anderson if you have any questions or concerns about the eligibility status of your son/daughter or about using summer school credit to regain eligibility.

THANK YOU

The athletic department continues to depend heavily on many willing volunteers throughout the Spring season. We are very grateful to those people who give so willingly of their time to assist our coaches and athletes.

We extend a huge thank you to all of you who were so helpful at our home track meets. You made our job so much easier.

We also want to thank the city of Hermann for allowing us to use Dick Ochsner Field and the city park crew for being so helpful in making sure that the field looks nice throughout the Spring baseball season.

We wish to thank Loutre Shore for allowing our golf team to use their facilities for practices and matches throughout the Spring.

PHYSICALS/INSURANCE

Student athletes are reminded that a current physical is needed before you will be allowed to practice or compete. All students should have this taken care of prior to attending camps at HHS this Summer. It is a MUST prior to beginning Fall practices on August 7th.

HHS ATHLETIC DEPARTMENT & COACHES SAY "THANKS" TO THE BEARCAT BOOSTER CLUB

The athletes and coaches at HHS and HMS would like to thank the Bearcat Boosters for their generous donations this past year to the entire athletic program. Their generosity has helped us to purchase items that have been of benefit for all of our sports programs.

BOOSTER CLUB NEWS

The Booster Club is currently looking for new board members. Anyone interested in serving on the Bearcat Booster Club board should contact Trese Page at 573-690-1403.

SENIOR RECOGNITION

Bud Krone/Don Gosen Scholarships / Booster Club Scholarships

The Bearcat Boosters continue to recognize graduating senior athletes for their efforts in athletics at HHS. The Booster Club purchases a plaque for each graduating senior athlete.

The Booster Club also continues to reward one senior female athlete and one senior male athlete who have exhibited good character throughout their high school career both on and off the field of competition by awarding the Don Gosen and Bud Krone Character Excellence Scholarships. These scholarships are valued at \$750 each. The Booster Club also funds four additional scholarships each year for athletes who have excelled in extracurricular activities. Two of these additional scholarships are worth \$750 and two are worth \$500.
