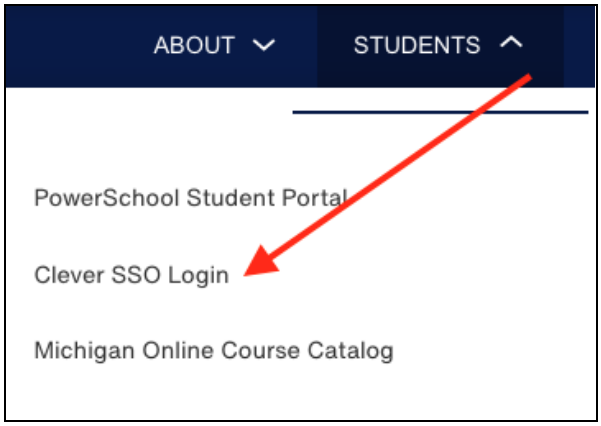
Logging into SeeSaw for Parents

As a parent, you are able to log into SeeSaw with your child's credentials or by using the Family Invite sheet you should receive from your child's teacher. That sheet will have directions for logging in from the SeeSaw Family app. Use the directions below to log in with your child's credentials.

In order to get into SeeSaw with your child, you will use **Clever** to log in. You will need your child's Google Username and Password to complete this process.

Logging into Clever

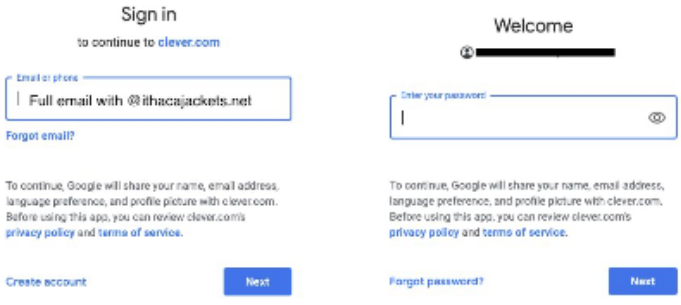
1. Navigate to ithacaschools.net. Then hover over the "Students" tab and choose Clever SSO Login. You can also bookmark or favorite clever.com/in/ithaca for quick access.



2. Ensure it says Ithaca Public School District at the top of the login screen.

3. Choose Log in with Google.

4. You should now be at the Google Login screen. Type the full email address of your google account including the @ithacajackets.net portion of the email. Choose next and then type in your password. Once you have submitted, you should be in Clever.



5. Once in Clever, find the SeeSaw app and click it. This will log your child into SeeSaw.
