Afterschool Program Update:

We are currently looking to hire 2 staff members to support the afterschool program. If you are available to volunteer for a shift next week until the positions are filled, please contact Haley Bezon:

hbezon@aos98schools.org

Any changes to your students plans should still be sent to Ms. Chaney AND the classroom teacher, AND Mrs. Cooper. Email is best.

bchaney@aos98schools.org

Social Skills Homework:

(language we use at school to solve problems and talk about emotions)

Ask your child:

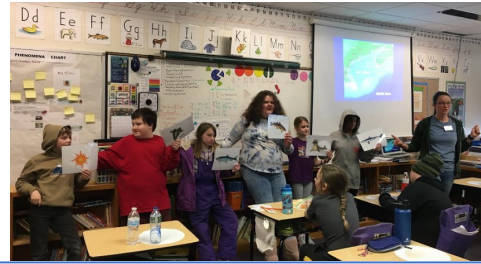

1. What they did today to fill someone's bucket
2. How and when they used their social filter
3. If they managed any blue or red zone feelings - what strategy did they use?

-Mrs. Bezon

Spring is coming.....with that comes more muddy and wet, squirmy students. Don't forget to send your students with a full change of clothes in their backpack. A pair of sneakers are helpful so your child can switch out of their boots. It is still sometimes too cold to go without a jacket but it is getting warmer so layers are good. The important thing is that they are comfortable indoors and outdoors so they are at their best for learning each day. Don't forget tick checks--they're baaaaaack!-

Upcoming Events!

- PTC Read A Thon Winners Announced at All School Assembly Friday 3/3
- Wednesday March 8th, Spelling Bee (G1-G6)
- Tuesday 3/14 Pi Day (G4-G6)
- Edgecomb School Committee Meeting at 5:00pm
- Monday June 5th - @ 6:00pm: All Grades Spring Concert

On Monday 2/6 grade 4 welcomed a guest presenter from the Maine Maritime Museum in Bath. The students were able to discuss food webs in the Gulf of Maine, and then put together a mobile as an example of the food web. Please consider a visit to the museum. There are many wonderful exhibits and activities, and admission is free weekends through the month of March.

Candy...Soda...& Caffeinated beverages are not allowed in school. Please do not send your student in with these.

Clinic Updates

Remember that children who are sick should be home resting and hydrating, not at school trying to get through their day. If you are ever conflicted on symptoms your child has, please call or email us at school and we can help. Please remember to update your phone numbers and emergency contacts in the office if anything changes. It is essential that each student has at least one reliable, local contact--more are preferable--that we can reach in the event of an emergency. - Mrs. Crocker

Performance Festivals
