- [The NEW EES Facebook Page](#) (our old page is inactive, please like and follow!)

Maine has over 125 summer camps across the state, and I love [this tool](#) for finding the perfect fit for kids. There is so much growth and transformation that happens when our kids try something new and adventurous. Please reach out to Mrs. Bezon if you need help narrowing down the camp search! There are tons of opportunities both close to home and far away that offer scholarships - so don't hesitate to send your child to camp on account of costs. (Have a kiddo who says 'no' to camp? Give them a few options and let them decide which one!)

## Pre-K and Kindergarten Registration Open!

We are currently registering students for the 2023-24 school year. Please go to our [homepage](#) to pre-register your child for Pre-K or Kindergarten. Our Pre-K program is designed to prepare students with the skills needed to be successful in Kindergarten and to support learning and exploration in our youngest learners. Our Pre-K and Kindergarten **Open House is on Thursday, June 1 from 6:00-6:30pm**. Want more specifics about our programs? Here is the [link](#) to our Pre-K handbook, and our [K-6 handbook](#). If your student is currently enrolled in Pre-K, you do not have to pre-register.

**Wednesday Early Release Changes**  
Please know that in order to make up for one (1) of our lost student days, we will extend the following Wednesdays to regular 2:30 dismissal:  
**May 10, 17, 24, 31 and June 14.**

This will align us with the BRES schedule those days.

BRES will continue to release at 2:30 all Wednesday's EXCEPT the first Wednesday of each month. This will continue to affect the buses and cause the delays as we have seen this past month.

Thank you,  
Mr. Landberg

## Upcoming Events!

- Wednesday April 12<sup>th</sup> 5:00-7:00 Family Pizza & Game Night sponsored by Healthy Kids including a Bake Sale to benefit the 6<sup>th</sup> Grade Trip to Boston!
- Friday April 14<sup>th</sup> – Planetarium Visit to our school!

- **The Last day of School (as well as 6<sup>th</sup> Grade Graduation)** will be on Thursday June 22<sup>nd</sup>. This is also an early release day, stay tuned for times.

Mr. Landberg & Assistant Principal of the day, Stella

## BRES Spring Sports Sign Up [Link](#)

Practices are afterschool at BRES/BRHS and are open to EES 6<sup>th</sup> graders!

## MUD SEASON IS HERE

This time of year, kids are still playing hard outside, even as the snow melts and the lawn gets soggy! They need warm, clean clothes or they are not able to focus and learn. Please plan to pack a full extra set of clothes for your student, including socks and boots/sneakers.

## TICK CHECKS....

They're back, or maybe they never left?! Check your students over each evening for ticks. Some are very small so look closely and report any rashes or concerns to your family's doctor as soon as possible.

### Clinic Updates

**TOO SICK FOR SCHOOL?**  
HERE'S HOW TO TELL

| STAY HOME IF ...  | SYMPTOM                       | GO BACK TO SCHOOL AFTER ...  |
|---|-------------------------------|--|
| Your child feels too sick for regular activities  | COUGH AND OTHER COLD SYMPTOMS | Fewer decreases and your child feels better                          |
| Yellow or green pus appears   | EYE DISCHARGE                 | The amount of pus decreases, using antibiotic eye drops for 24 hours |
| The temperature on an oral thermometer reads 100° F or higher (100.4° for an ear, rectal, or forehead temp) | FEVER                         | Body temperature reaches normal                                      |
| You suspect flu— if spreads rapidly   | FLU                           | Fever has been gone for 24 hours                                     |
| Your child has a migraine—throbbing, severe pain with moodiness, fatigue, and sensitivity to light          | HEADACHE                      | Taking pain medication   |
| Redness and itchiness affect all or most of your child's body   | RASH                          | The rash is gone—or the doctor gives the OK                          |
| Your doctor suspects—or diagnoses—strep throat  | SORE THROAT                   | 24 hours after beginning antibiotics                                 |
| Your child is vomiting or has uncontrollable diarrhea   | STOMACHACHE                   | Identifying stops and your child has control of bathroom breaks      |
