School and District School Improvement Plans

ACSIP Plans have been submitted for the 2018-2019 school year. The priorities for the six school plans and the district plan include improvement in the areas of mathematics, literacy, ELL, and wellness.

Wellness Policy

- **Physical Education-** In the area of physical education, we have met our goal to “follow the Arkansas Physical Education and Health Education Frameworks in grades K-12.” We have achieved this goal by meeting or exceeding physical education and health state standards in all K-12 P.E. classes.
- **Nutrition-** In the area of nutrition, we have met our goal to “establish class schedules and bus routes that do not directly or indirectly restrict meal access.” We have achieved this goal by offering Breakfast in the Classroom and/or Grab and Go Breakfasts across the district.
- An area of improvement for our district will be to “implement a grade appropriate nutrition education program that will develop an awareness of and appreciation for nutrition and physical activity throughout the curriculum.”

Curriculum/Instructional Programs

- Academic Practice – offered in the areas of math and literacy as needed.
 - Math Practice each morning at 7:25 am
- ICU Program
- Edulastic Assessments – administered in the areas of literacy and math.
- Moby Max – software program used for literacy and math
- Response to Intervention – used for enrichment & remediation purposes each day (Read Live computer literacy program)
- Gifted and Talented Program
- Co-Teaching/Inclusion Classes in ELA and Math
- Structured Learning Time
- Pre-AP courses

Title II-A

- Funds may be used district-wide. Funds provide training to assist teachers and administrators in becoming highly qualified or to provide supplemental training opportunities to further enhance instructional practices.
- Teachers and administrators are encouraged to pursue college coursework toward advanced degrees. In return, employees receive tuition reimbursement from Title II-A funds up to 10 successfully completed courses.
- A district literacy specialist assists K-12 staff with continuous and current literacy curriculum training throughout the school year and during the summer.
- Title II-A funds are also used to recruit teachers for our district, especially in high-need areas where there are a limited number of applicants.

Title IV

- This is the second year to receive Title IV funds. These funds may be used in three areas:
 - Activities to support well-rounded educational opportunities such as STEM subjects, music and art programs, accelerated learning, history, environmental education, and career guidance.
 - Activities to support healthy and safe students.
 - Activities to support effective use of technology.

Title V - State

- Funds are used to address the educational needs of low performing students. Instructional assistants provide support for students below grade level and offer the use of technology as an instructional strategy for addressing their needs. Funds also will be used to provide student materials.
- Beebe did not receive additional Title V funds in 2018-19.
