THIS WEEK'S SUNDRIES

Happy Holidays! Kindergarten is hitching a ride North on the Polar Express! Our Polar Express Party was a huge success. Last Friday our conductor loaded us onto our 'train' where we ate popcorn, cookies, and drank delicious hot chocolate. After watching the Polar Express we came back to the classroom where a package from the North Pole waited for us. Inside the package was train whistles and bell necklaces, everything was still cold from coming from the North Pole.

Winter Performance

Just want to give a shout out to Wendy James, Eva Mitchell, performing arts students, the K-3 teachers and students for putting on the best winter performance ever. The **December Around the World** was a hit with the audience, especially the dancing pickle. Not only was the show entertaining, it also taught us more about other cultures and the diversity of ways humans celebrate the holiday season.

"That'll teach your mom to stop giving us obnoxious parenting advice. I slipped the dog's electric Invisible Fence collar into her back pocket."

Board Meeting 12.11.18

The Butteville Board last week approved adding a fence line that closes off the school from the road in front of the library, 3rd-7th grade classrooms, and courtyard. A fence will also be built in front of the kindergarten classroom to keep the little tikes from escaping into the parking lot. This endeavor will provide more security for the school and make more areas to be accessible for classes to use. Thank you Board for continuing to make smart decisions to improve and secure our campus!

Ever thought of working at Butteville?

"OK, you've got your helmet, shield, kneepads, TASER, steel-toed boots...you're all set. Thanks for subbing on short notice, Mrs. Thomas!"

We are looking for substitutes for our aides and kitchen staff. Come work at our school, nestled in the beautiful hills of Edgewood. Good hours, fresh air, happy students and staff makes this an exciting place to work. If interested, please stop by the front office to pick up an application.

Butteville Elementary 2019 Calendar Fundraiser

Butteville Elementary is pleased to be able to offer a 12 month 2019 Mount Shasta Calendar For every \$14 purchase, 7 dollars will be raised to support our school! Ask an 8th Grader.

Butteville Ski Club Update:

If you are needing to rent skis, they are cheaper going through one of the local ski shops. You would need to pick them up that day or possibly the evening before, if your child is 12 or younger it would be cheaper to buy a season pass. \$169

From the Greater Lake Shastina Fire Safe Council

All fire and safety related agencies would like to remind parents to register with the emergency notification system, CodeRED. CodeRED provides emergency notifications to both landline and cell phones. All notifications are geographically targeted to specific areas rather than all of California. Registration is free and confidential. In order to register go to the Siskiyou County Sheriff website and first click on Emergency Information then click on CodeRED. If you do not have a computer or internet access residents with a 530 area code can call 2-1-1 and they will assist in signing up. Residents who have other area codes can call 1-844-319-4119 and they will assist you in signing up.

Latchkey Children: Some children are home alone during parts of the day. If there is an emergency evacuation it could be difficult for parents to make sure their children are safely evacuated. Sharing contact numbers with neighbors and asking them to check on your children in the event of an emergency evacuation will help make sure no one is left behind. As in the Camp Fire, calls to 911 may not receive immediate attention since emergency personnel may be responding to other calls or matters. By working together we can ensure safety for all.
