Re: Shortened School Day at MHS Only

I am writing this letter for the purpose of explaining an upcoming abridged school day at Mitchell High School.

Mitchell High School is the host site of the upcoming State Debate & Individual Events Tournament. Due to the extensive participation and the scope of this year's event, Mitchell High School will run a shortened schedule on Friday, March 3. With the help of the Mitchell School District Calendar Committee, and MHS Faculty, we have developed the following plans:

Mitchell High School Schedule (***all other schools run a normal schedule***): Friday, March 3:

MHS/MCTEA abridged schedule-

- G1: 8:15-9:20
- G2: 9:25-10:25
- G3: 10:30-11:30
- G4 No SRB
- *Lunch: 11:30 -12:00

Your understanding of this plan is important to us, and we appreciate your cooperation as we work to ensure the best possible education and safety of our students. If you have any questions or concerns, please contact the high school office.

Sincerely,

Joe Childs
