ELEMENTARY SCHOOL ATTENDANCE AREAS

MSD 1017

Longfellow	North boundary is the South side of 7 th Street (homes with odd numbered address) and East of Foster Street. South boundary is Milwaukee Railroad, East of Main Street. East boundary is City limits. West boundary is Main Street.
Gertie Belle Rogers	North boundary is the City limits and West of Foster Street, except as noted in L. B. Williams area below. South boundary is 8 th Street to Sanborn East of Sanborn North of 1 st west of Main to 7 th Street to Foster East boundary is Foster Street. West boundary is City limits.
L. B. Williams	North boundary is 7 th Street to Sanborn Street to the Railroad tracks. Railroad tracks to Foster Street. South boundary is City limits. East boundary is City limits. West boundary is City limits. To include land west and north of North Harmon Drive known as the 'Island First Addition', 'Maui Farms Second Addition' and 'Cjm's 1 st Addition'. See attached map for clarification.

Individual school attendance boundaries may be changed as population warrants or as capacities of buildings require adjustments of student loads. School attendance boundaries will be designed to strive to meet district target average class size for each building and grade level target ranges.

Code Reference: SDCL 13-23-1 through 13-23-3; 13-23-9.

11/26/01 revision added last paragraph on changing attendance centers, and renumbered the policy from 1005 to 1017.

2/28/11 revision moved Island First Addition, Maui Farms Second Addition, and Cjm's 1st Addition from the GBR attendance area to the LBW attendance area.
