

Mitchell HS Parents/Guardians

As you are aware, this week's weather is looking a bit dicey. We want to touch base with reminders on where we are at with our snow days/cancellations. Our next snow day is still a no contact day, but after that all remaining snow days are considered eLearning days.

Students have been informed and prepped by their teachers on what to do in the event of an eLearning day. We ask that you visit with your student(s) about this possibility to ensure success on their part. Below are the expectations for HS students pertaining to eLearning:

- Student assignment/activity for each class will be in Google Classroom
- Students will need access to their computer & WIFI
- Students will complete all daily assignments given out by their instructors
- Students will reach out to their instructors when assistance is needed
- Teachers will be available through email

Thanks,

High School Administration
Shane Thill, Craig Mock
