Changes in Bus Routes for the 2023-2024 School Year

Our district, along with school districts across New Hampshire, are continuing to experience a sharp decline in bus drivers. With the critical shortage of available drivers, we need to adjust our bus routes and incorporate a 1-mile radius rule from your attending school. Transportation will not be provided to those who live within the 1-mile radius of their attending school. We are also limiting the number of pre school students on the bus due to seating numbers.

Please take the time to review the new bus routes posted on the school website.

- Some routes have been removed and others have been changed or added.
 - Route 3 is now Route 5
 - Route 6 is now Route 11 & 16 (Bus 11 & 16)
 - New Route 1
- Buses that typically transport 25-35 students may see an increase in student riders.
- Bus Passes (*requesting to travel on a different bus than school to home*): We will still be allowing bus pass requests.
- Students should plan to be at the bus stop 10 minutes before scheduled pick up time.

Questions?

Any bus route questions or requests should be emailed to:

Caleb Godwin, Transportation Coordinator, cgodwin@sau43.org

Caleb will respond via email within two work days.
