Dear Parent:

Under the federal No Child Left Behind Act, you have a right to request certain information about the professional qualifications of your child’s teacher or teachers:

- Whether the teacher has met State certification criteria for the grade levels and subject areas in which the teacher provides instruction;
- Whether the teacher is teaching under emergency or other provisional status through which State certification criteria have been waived;
- What the teacher’s college major was and the field of discipline of any advanced degrees held;
- What the qualifications are of any paraprofessional or educational technician if your child is provided special services.

If you would like to receive any of this information, please contact me at 917 Main Street, Suite 200, Sanford, Maine or by telephone at 324-2810.

Sincerely,

David Theoharides
Superintendent of Schools
