Dear Forest Park School District 91 Families,

My name is David Mekhiel and I have been named the new Director of Student Services for Forest Park School District 91. I am truly honored to serve this community.

I have been serving special education students for over 15 years. I went to NIU for my LBSI degree and began my educational career teaching math to students grades 7-12. As a classroom teacher, I deeply enjoyed watching students grow and flourish. In seeing my students grow, I was encouraged to continue to grow and learn as well. Because teachers are pivotal in promoting the growth of students, I decided to enter into the realm of administration in order to support these very teachers, and in turn, they could further aid the students. To further expand my educational growth and goals, I completed my Masters in Educational Leadership at St. Xavier University.

My goal for Forest Park District 91 is broken up into three phases: Phase I is to introduce myself to all stakeholders and listen in order to understand. Phase II is to identify the common strengths and areas for growth. Phase III is to organize the data and make a plan with specific goals that focus on the common areas for growth.

I am looking forward to meeting each of you. Please feel free to reach out if you have any questions or concerns. If you would like to schedule a meeting, please let me know. Have a great day and enjoy the rest of your summer.

In Service,

David Mekhiel

Estimadas familias del Distrito Escolar 91 de Forest Park:

Mi nombre es David Mekhiel y he sido nombrado nuevo Director de Servicios Estudiantiles del Distrito Escolar 91 de Forest Park. Me siento verdaderamente honrado de servir a esta comunidad.

He estado sirviendo a estudiantes de educación especial por más de 15 años. Fui a NIU para obtener mi título de LBSI y comencé mi carrera educativa enseñando matemáticas a estudiantes de los grados 7-12. Como maestra de salón de clases, disfruté profundamente ver a los estudiantes crecer y florecer. Al ver crecer a mis alumnos, me animó a seguir creciendo y aprendiendo también. Debido a que los maestros son fundamentales para promover el crecimiento de los estudiantes, decidí ingresar al ámbito de la administración para apoyar a estos mismos maestros y, a su vez, podrían ayudar aún más a los estudiantes. Para expandir aún más mi crecimiento y metas educativas, completé mi Maestría en Liderazgo Educativo en la Universidad St. Xavier.

Mi objetivo para el Distrito 91 de Forest Park se divide en tres fases: La Fase I es presentarme a todas las partes interesadas y escuchar para comprender. La Fase II es para identificar las fortalezas comunes y las áreas de crecimiento. La Fase III consiste en organizar los datos y hacer un plan con objetivos específicos que se centren en las áreas comunes de crecimiento.

Tengo muchas ganas de conocer a cada uno de ustedes. No dude en comunicarse si tiene alguna pregunta o inquietud. Si desea programar una reunión, por favor hágamelos saber. Que tengas un gran día y disfruta el resto de tu verano.

En servicio,
David Mekhiel
