Find and Contact Loved Ones

The American Red Cross Safe and Well website is a free public reunification tool that allows individuals and organizations to register and post messages to indicate that they are safe, or to search for loved ones. The site is always available and open to the public and available in Spanish. Registrations and searches can be done directly on the website. Messages exist in both Spanish and English. To speak with someone at the American Red Cross concerning a missing friend or relative, please contact 1-800 REDCROSS OR 1-800-733-2767, choose option 1.

As an additional resource, we have provided the website information for AirBNB and VRBO, which may offer reduced rates for housing in times of disaster.

  - https://www.usa.gov/disaster-financial-help
  - On the home page is a link to a Podcast by the CDC “Before, During, and After a Wildfire” There is a notation to click “for more information.” This will take you to https://www.cdc.gov/disasters/wildfires/index.html
  - The CDC will also link you to the Red Cross - http://www.redcross.org/get-help/how-to-prepare-for-emergencies/types-of-emergencies/wildfire

- CVT EAP includes 6 sessions per year of professional and confidential counseling for individuals and for eligible family members. Video and telephonic counseling is available.

- Other CVT services are Legal and Financial Solutions and Work/Life benefits.

- EAP can provide Critical Incident Debriefings after traumatic incidents. A counselor can come onsite to debrief with a group and provide 1:1 support. Please keep in mind that this service is not meant to be used as a counseling service…but can used as a way to normalize emotions for a group and then to refer for more individual support. The counselor can provide brief management consultation.

If anyone prefers to make direct contact with our EAP representative, please call Eileen Houtzer at 714-763-3836.
