Dear Parents,

Keeping you informed is a top priority at East Holmes Local Schools. That's why we have updated our **Mass Notification Service (formerly known as AlertNow/Blackboard Connect)** which will allow us to send a telephone, e-mail, or text message to you providing important information about school events or emergencies.

We anticipate using the All Call System to notify you of school delays or cancellations due to inclement weather, as well as to remind you about various events, including report card distribution, athletic events, field trips, and more. In the event of an emergency at school, you can have peace of mind knowing that you will be informed immediately by phone.

What you need to know about receiving calls

- Caller ID will display the School's main number or District number when a general announcement is delivered.
- The system can leave a message on an answering machine or voicemail.
- The system will communicate both announcements and closings to each phone # and email listed

The successful delivery of information is dependent upon accurate contact information for each student, so please make certain that we have your most current phone numbers. If this information changes during the year, please notify your School's Secretary immediately.

We sincerely appreciate your cooperation, and if you have any questions, please don't hesitate to contact us at (330) 893-2610 ext #1000 or by e-mail at jennifer.miller@eastholmes.org.

We are very excited to incorporate the new system as a tool to improve parent communication and look forward to having the ability to deliver real-time information to you and provide awareness of all the great events that take place within the School District.
