INSPIRE. PREPARE. CHALLENGE.

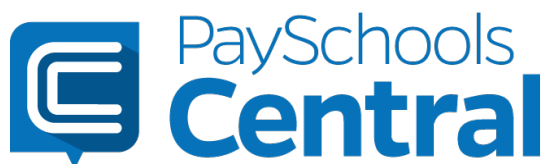

WELCOME BACK!

From the desk of Clara Hershberger, Nutrition Services Coordinator

I am excited to start another school year and my first official year as the Nutrition Services Coordinator. Our goal is to continue elevating our menus to better serve the needs of our students and families. If you have any questions or concerns, please feel free to reach out to me at any time. Just a reminder that meal benefits carry over from the prior year until October 1st. All new applications must be submitted as soon as possible.

I look forward to serving your students. Make it a great year!

Families are now able to add lunch money, set a reminder to replenish their student's lunch account, complete the Free and Reduced Meal application online and more at payschoolscentral.com. Contact Clara Hershberger or your child's building secretary for student ID numbers.

Meal Benefits Application

When a parent/guardian completes the meal application, it can potentially assist with meal benefits, school fees, increase funding to support our schools and more.

Help yourself and our district qualify for additional funding opportunities by applying for free or reduced meals for the upcoming school year at payschoolscentral.com or by completing the paper application included with this newsletter. The online application is the quickest way to begin receiving meal benefits.

Looking for a job? Please visit www.eastholmes.org for the most up-to-date job postings. We are currently seeking full-time and part-time cooks and substitutes.

**This institution is an equal opportunity provider.*

What's on the Menu?

My School Menus is the fastest and easiest way to view your child's school lunch and breakfast menu!*

Favorite Features:

- Most up-to-date menu
- Nutrition information
- Carb counts
- Filter by allergens
- Translates up to over 200+ languages

We still expect some supply chain challenges in receiving food and paper products to continue this year. Please know that all menus are subject to change (at times last minute). We will always provide delicious foods that students love.

**Paper menus will be printed and are subject to change on a daily basis. Access all menus on the district website or download the "My School Menus" app.*

Meal Charge & Debt Policy

The Nutrition Services Department is a self-sustaining enterprise fund and must generate funds through student and adult meal sales, smart snack sales, and federal and state reimbursements in order to pay all operating expenses. East Holmes Local Schools has adopted a meal charge policy that can be found on our website. Our number one priority is to treat all students with dignity and respect.
