

PUBLIC CONCERNS AND COMPLAINTS

Parents, students, or other citizens with complaints or concerns regarding any aspect of MSAD #11 or an employee thereof shall be encouraged to seek a resolution at the lowest possible level. The only exceptions are complaints that concern Board actions or operations. Such complaints should be addressed to the Board Chair.

If the complaint cannot be resolved at the lowest level, the person initiating the complaint may appeal the decision to the next level (i.e., Supervisor of Operations and Maintenance, Principal, Director of Special Services, Director of Curriculum and Instruction).

If the complaint cannot be resolved at any lower level, it may be appealed to the Superintendent. If the complaint remains unresolved at the Superintendent's level, the person making the complaint may request that the matter be placed on the agenda of the next regular Board meeting. The Superintendent/School Board Chair shall determine whether the complaint should be placed on the agenda.

At all levels of the complaint process, school employees are required to inform the person making the complaint of their right to appeal the decision to the next level.

This policy shall not be utilized by employees for matters or grievances relating to any term or condition of their employment. Such matters shall be addressed through established channels for grievances.
