Thank you for your interest in purchasing a 2018-2019 Eagle Image Yearbook!

This year's book is entitled "Be **BOLD**" with a unique theme carried throughout. It is 108 pages of full color coverage for 5th through 12th grades. The Pierce City Yearbook staff has worked extremely hard and will continue their work throughout remaining part of the school year!

ORDERING OPTIONS:

Option 1: Envelope Form Order

Attached to this letter is an envelope. Please fill out EACH section of the envelope. You are then asked to pay with either check or cash. If you want to make a "partial payment" this is the best option for you. Please return the envelope as soon as possible so a book will be reserved for your student. "**Payment in full**" is due on **May 1, 2019** in order for a book to be ordered. If payment is not fully made, a book will not be ordered for your student.

Please make checks payable to: Pierce City High School; Memo: Yearbook.

Option 2: Online Order

You may also order a yearbook online at <https://commpe.pictavo.com/PictavoSchool/FindSchool> through Pictavo Community, our current yearbook provider. Instructions for ordering online are on the back of this informational sheet. You may order the elementary or high school book on this site. [*High School: Pierce City High School – Elementary School: Central Elementary School*]
