Pay Schools Central

There has been a change to our online payment system for some of the services offered at H-BC schools. Many families use Pay Schools to add money to lunch accounts or pay LPA tuition. Those that have used the service in the past will need to set up new accounts using the instructions attached to this newsletter

Bring Shoes to School

Please help your children remember school shoes every day! When students wear boots and other snow gear for outdoor recess they often fail to bring shoes to wear during the school day. Shoes are required for PE and other activities during the day. Make a conscious effort to help your son or daughter by checking with them about shoes on a daily basis.

Calendar Update

On the original version of the district calendar January 18 was marked as an "early out" day. This was an error and January 18 will be a full day of school for students and Staff. There will be a staff in-service on January 21. There will be no school for students on January 21.

Free and Reduced Lunch

If your family's income has changed since the start of the school year it is still possible to complete an application for free and reduced lunch. The application can determine if your family qualifies for assistance. Forms are available online or at the elementary school office.
