

Vega Junior High School
Parent and Family Engagement
Policy
2022-23

Statement of Purpose

Vega Junior High School is committed to the goal of providing quality education for every child in this district. To this end, we want to establish partnerships with parents and with the community. Everyone will gain if school and home work together to promote high achievement for our children. The expectation will be to have neither home nor school doing the job alone. Parents play an extremely important role as the children's first teachers. Their support for their children and for the school is critical to their children's success at every step along the way.

Grade level goals, grade level curriculum, and assessment calendars for the children of Vega Junior High School will be distributed to all parents in the district; with expectations that all students will work toward these goals. We recognize that some students may need extra assistance available through the Title I program and various other educational services offered throughout the district. Response to Intervention, extended educational day services and tutorials are just a few the additional services offered.

Vega Junior High School intends to include parents in all aspects of the district's Title I Program. The goal is a school-home partnership that will help all students in the district to succeed.

Parental Involvement in Developing Policy

An advisory committee consisting of parents, members of the community, school staff, and administration will meet to develop the school's Parent and Family Engagement Policy. This advisory committee will be chosen from volunteers from students who attend junior high school at Vega ISD. These meetings will be held at feasible and convenient times for parents to attend. There will be special attention for recruiting parents for the committee of children in the Title-I Program. Vega Junior High School is a school-wide Title-I school. All students are part of the Title-I program.

Annual Meeting for Title-I Parents

There will be an annual meeting for parents, community members, and representatives from other programs, which will be held August 11, 2022 at the school from 5:00- 7:00 pm. Parents will be given information about the Title-I program guidelines. They will be given copies of the district's current Parental Involvement Policy, and offered a chance to become involved in revising and updating the policy.

The annual meeting will be held twice, for the convenience of the parents in the evening and during the day. Translation will be available. Parents will be sent written notices about the meeting times and notices will be advertised in the Vega Enterprise, the school's website, and the school's marquee.

School-Parent Compact

In accordance with Title I regulations, each school must develop a compact for outlining the responsibilities of parents, students, and staff.

All parents will be given a copy of the compact detailing the responsibilities teachers, parents, and students have in helping students accomplish their academic achievement goals. Student responsibilities will vary by grade level. The School- Parent Compact and this Parent and Family Engagement Policy will be evaluated annually with the input from school district faculty and parents.

Matching Programs to the Needs of Our Community

The community will be consulted in the design, development and implementation of the Title I program. Each year, the school district will assess the needs of parents and children in the community, through a variety of measures and surveys for creating a successful school environment.

Workshops and other programs in various topics will be available for parents and children. Parents will be notified about these opportunities through the individual schools. Parents may call the district office or their local school office at any time to express an interest in a particular workshop or to make suggestions for topics.

Staff/Parent Communications

Communications with parents will include newsletters, written notices, E-mails, phone calls, conferences, and home visits, as needed throughout the school year. Parents are encouraged to take the initiative in calling their child's teacher when they are concerned about a problem. They may also call the school office and ask for a translator at the conference. As much as possible, notices will be sent home in English and Spanish languages. Staff will receive

training on how to improve home-school communications and parents will be asked to give input for this topic.

Evaluation

There will be an annual evaluation of the content and effectiveness of the Title I Parent and Family Engagement program. Parents will be asked for their input in the evaluation. The evaluation will include an assessment of how much the parental involvement are increasing/decreasing and identifying barriers to parent participation. The school district will review its Parental and Family Engagement Policy on the basis of this annual review. The policy will be coordinated and promoted by the Title I staff, administration, and teachers throughout the campuses and district.
