

Computer Damage Protection Agreement

Computer # _____

Please read the following information to determine if the protection program is needed for you and your student against damage & loss of the loaned computer equipment in your care.

*This form must be completed and marked **Yes** or **No** before the computer will be provided to the student.*

Coverage & Benefit

This agreement covers the computer loaned to the student against all damage or loss over \$100 per incident. Accessories and/or repairs costing less than \$100 are not covered and will be paid by the Student. The total value will be determined by repair or replacement cost at the time of loss or damage. The Student is responsible for the first \$100 of the covered loss or damage unless the damage is to a screen that has already been replaced under this policy; then the full cost of repair/replacement will be the obligation of the Student. Coverage is for computer use during school hours and/or while away from school, dependent on the program level chosen below.

Effective & Expiration Dates

This coverage is effective from the date this request form and the premium payment is received by the school *through* the date the computer is returned in good working order to the school.

Premium

The total premium cost is \$20 per computer per school year if the computer is left at school at night. The premium cost is \$50 if the computer is taken home after regular school hours.

It is agreed & understood that:

- 1) Lyons-Decatur Northeast Public Schools will offer coverage to all students,
