The law allows the public to address the governing board on any school district matter, whether or not it is on the agenda, but the law prohibits action or discussion by the Board on non-agenda items.

A person wishing to be heard by the Board shall first be recognized by the president and shall then proceed to comment as briefly as the subject permits. Individual speakers shall be allowed three minutes to address the Board on each agenda or non-agenda item. The Board shall limit the total time for public input on each item to 20 minutes. With Board consent, the president may increase or decrease the time allowed for public presentation, depending on the topic and the number of persons wishing to be heard. The president may take a poll of speakers for or against a particular issue and may ask that additional persons speak only if they have something new to add. (BB 9323)
