WINTER CONCERT NEWS

A word from Ms. McIvor regarding dress for the concert...

As we look ahead to the Winter Concert, please know that students are welcome to wear dressier clothes as long as they are comfortable for singing, safe (high heels on risers are not the best idea), and not distracting...it is fun to celebrate a special occasion in dress but there is also no pressure...coming together to create beautiful music is the priority!

DOORS AT THE TOWN HALL WILL OPEN AT 5:30. ALL STUDENTS SHOULD BE IN ATTENDANCE BY 5:45PM.

The Challenge this week was to build a new sleigh for Santa, made out of cardboard, popsicles sticks, glue, paper cups, elastic bands. Santa's sack (a rock) had to remain in the sleigh until Santa reached his destination. Everyone's design succeeded with flying colors...it was amazing! All the children had so much fun working together on this challenge, and then cheering for one another's design.

Now Santa has many options for his new & improved sleigh.

*Hello Southport School!
We need your help!*

The Community Center is raising funds and we need your shoes! Please help us collect Gently Worn, Used & New shoes by bringing them to school for the month of December!

The student who brings in the most shoes will receive a trip to The Community Center and a special thank you gift!

Help us raise funds for our organization by donating your gently worn, used and new shoes!

And don't forget to ask friends, family, neighbors and co-workers to donate too!

Collected shoes are used to support micro-enterprise vendors. Micro-enterprises are small businesses in developing nations. They are typically operated by one person or family and friends, depending on size.

Hello from Mrs. Fowlie :)

Today in Guidance, we learned more about **GENEROSITY !!!**

Since this season can become a time of the “gimmes” - (“Give me this, Give me that, I want this, I want that...”) - the focus of our lesson was stepping out and looking for ways to give... “For it is better to GIVE than to Receive!!!”

We also reviewed our
“PROVERB OF THE MONTH:”
DECEMBER:

*A Generous person will prosper;
whoever refreshes others will be refreshed.”*

Cultural Studies: On Monday - we studied under our unit of “Democratic Ideals” -

CONSTITUTIONAL
PRACTICES,
3 branches of
government
(LEGISLATIVE,
EXECUTIVE, &

JUDICIAL), along with

checks and balances,
judicial review, republicanism,
and federalism.

The older children have been building a fort at recess.
Looks Good!

NOTICE

There is NO swim for us on Wednesday, Dec. 12th. Regular swim instruction will resume on Wednesday, Dec. 19th.

The children sang for Southport Lights Up on Friday night. The crowd of Southport residents joined them in song, directed by Meredith Fowlie. Then Santa came on his motorcycle and sang to the children and passed out a few treats.

On Monday of this week, students in Ms. Clarke's class enjoyed learning about coding with Ms. Linda Hoffman. Computer Science Education Week is Dec. 3 - 9, so it was a perfect time to introduce the students to
Hour of Code.

The students were thrilled to be able to learn about coding and to try their hand by playing some games that required them to use the skills they had learned!
We are grateful for Ms. Hoffman's desire to share her expertise with us.
