Family and Consumer Sciences (FCS)

Family, Career and Community Leaders of America (FCCLA)

The FCCLA chapter is busy getting ready for STAR Event competition, which will be February 6 at Nemaha Valley High School. We have 23 students working on 13 STAR event competitions, so it will be busy in the FCS department for the next few weeks!

The Wabaunsee FCCLA chapter has 47 members this school year and many are busy are projects throughout USD 329, such as collecting items for our deployed troops, speaking to younger students about being kind, raking leaves for senior citizens, and picking up trash and cleaning the WHS gym after home basketball games. Seven members attended the Louisville, Kentucky Cluster Meeting where five qualified for national competition in the Knowledge Bowl this coming summer in Anaheim, California. Congratulations to Autymn Schreiner, Alexis Hafenstine, Luke Barber, Jessica Vanstory and Eleanor Badeker.

At the end of last semester, many of the freshmen in FCS participated in a job shadow opportunity and all of the freshmen in Career and Life Planning heard about many careers from speakers in our community who came to WHS to talk about their specific career. Our thanks to Tracy Vanstory, Brian Boeckman, Brandon Boeckman, Michelle Greer, John Wood, Ken Kirsop, Jeanette Rohleder, Jess Rutledge, Noah Mills, Jamie Maike, Callea Breiner, Paul Schutter, and Jesse Gehrt for taking time out of their day to speak to Career & Life Planning class!
