PAYEE DATA RECORD

STD. 204 (Rev. 6-2003) (REVERSE)

4

Requirement to Complete Payee Data Record, STD, 204

A completed Payee Data Record, STD. 204, is required for payments to all non-governmental entities and will be kept on file at each State agency. Since each State agency with which you do business must have a separate STD. 204 on file, it is possible for a payee to receive this form from various State agencies.

Payees who do not wish to complete the STD. 204 may elect to not do business with the State. If the payee does not complete the STD. 204 and the required payee data is not otherwise provided, payment may be reduced for federal backup withholding and nonresident State income tax withholding. Amounts reported on Information Returns (1099) are in accordance with the Internal Revenue Code and the California Revenue and Taxation Code.

- 2 Enter the payee's legal business name. Sole proprietorships must also include the owner's full name. An individual must list his/her full name. The mailing address should be the address at which the payee chooses to receive correspondence. Do not enter payment address or lock box information here.
- 3 Check the box that corresponds to the payee business type. Check only one box. Corporations must check the box that identifies the type of corporation. The State of California requires that all parties entering into business transactions that may lead to payment(s) from the State provide their Taxpayer Identification Number (TIN). The TIN is required by the California Revenue and Taxation Code Section 18646 to facilitate tax compliance enforcement activities and the preparation of Form 1099 and other information returns as required by the Internal Revenue Code Section 6109(a).

The TIN for individuals and sole proprietorships is the Social Security Number (SSN). Only partnerships, estates, trusts, and corporations will enter their Federal Employer Identification Number (FEIN).

Are you a California resident or nonresident?

A corporation will be defined as a "resident" if it has a permanent place of business in California or is qualified through the Secretary of State to do business in California.

A partnership is considered a resident partnership if it has a permanent place of business in California. An estate is a resident if the decedent was a California resident at time of death. A trust is a resident if at least one trustee is a California resident.

For individuals and sole proprietors, the term "resident" includes every individual who is in California for other than a temporary or transitory purpose and any individual domiciled in California who is absent for a temporary or transitory purpose. Generally, an individual who comes to California for a purpose that will extend over a long or indefinite period will be considered a resident. However, an individual who comes to perform a particular contract of short duration will be considered a nonresident.

Payments to all nonresidents may be subject to withholding. Nonresident payees performing services in California or receiving rent, lease, or royalty payments from property (real or personal) located in California will have 7% of their total payments withheld for State income taxes. However, no withholding is required if total payments to the payee are \$1,500 or less for the calendar year.

For information on Nonresident Withholding, contact the Franchise Tax Board at the numbers listed below:

Privacy Statement

Section 7(b) of the Privacy Act of 1974 (Public Law 93-579) requires that any federal, State, or local governmental agency, which requests an individual to disclose their social security account number, shall inform that individual whether that disclosure is mandatory or voluntary, by which statutory or other authority such number is solicited, and what uses will be made of it.

It is mandatory to furnish the information requested. Federal law requires that payment for which the requested information is not provided is subject to federal backup withholding and State law imposes noncompliance penalties of up to \$20,000.

You have the right to access records containing your personal information, such as your SSN. To exercise that right, please contact the business services unit or the accounts payable unit of the State agency(ies) with which you transact that business.

Discussion/Information

RECOMMENDATION:

It is recommended the Board approve the purchase of two new Ford Transit Connect vans from Santos Ford for price of \$54,640.00 + fees.

BACKGROUND INFORMATION:

The IS Department needs to replace a 1996 Chevy Astro and 2003 Pontiac Montana vans that have become unreliable. In addition, it is very difficult to locate and expensive to purchase replacement parts. The current vehicles are converted passenger vans that lack the durability of a heavy duty work van. The new vehicles will be used daily to haul tools and equipment between sites.

HOW DOES THIS ACTIVITY SUPPORT BOARD GOALS?

This is an operational activity and does not directly support a specific Board goal.

ALTERNATIVES/IDENTIFIED OPPOSITION:

None.

SPECIFIC FINANCIAL IMPACT (Include Impact on School District Facilities):

The cost of the new vehicle \$54,640.00 + fees will be paid from the IS Department budget.

SCHOOL IMPACT MITIGATION AGREEMENT BETWEEN THE LOS BANOS UNIFIED SCHOOL DISTRICT AND

TV LOS BANOS, LLC REGARDING NEW RESIDENTIAL LOTS (San Luis Estates)

This School Impact Mitigation Agreement ("Agreement") is executed this 11th day of July, 2017 (the "Execution Date") between the Los Banos Unified School District (the "District"), a school district organized and existing under the laws of the State of California and TV Los Banos, LLC, a California limited liability company (the "Developer"). District and Developer are sometimes referred to herein as Party, or collectively as the Parties.

RECITALS

WHEREAS, the Developer owns real property on approximately 5.5 acres of land, APN 428-121-012 (the "Developer Property"), within the District's boundaries (the "District's Boundaries") as described in *Exhibit A* on which it intends to develop certain residential units ("Project"); and

WHEREAS, the Developer intends to or has received the approval of the City Council of the City of Los Banos (the "City"), County of Merced (the "County"), of 25 residential lots (the "Proposed Lots") that have not received tentative map or other entitlement approvals and for which Developer has not, as of the date of this Agreement, obtained the issuance of building permits; and

WHEREAS, the Project does not include any commercial, age-restricted or multi-family residential units; and

WHEREAS, the District and Developer agree this Agreement applies to the Proposed Lots, owned or controlled by Developer, whether or not those lots are subsequently conveyed to other developers and/or merchant builders; and

WHEREAS, Developer intends to seek a vesting tentative map and related development entitlement for the Proposed Lots within an existing Mello-Roos Community Facilities District, known as the Los Banos Unified School District Community Facilities District No. 2 ("CFD No. 2") and Developer agrees to annex the Proposed Lots into CFD No. 2; and

WHEREAS, the District contends the impact on the District from units to be constructed on the Proposed Lots will not be fully mitigated by payments of statutory Level I and Level II development fees, or potential Level III fees provided for in Government Code Sections 65996 through 65997(the "Statutory Fees"); and

WHEREAS, the District and the Developer have entered into this Agreement freely and voluntarily and acknowledge that at the time of the Effective Date, the California State Legislature has enacted as part of Senate Bill 50 ("SB 50") in Government Code sections

65995, et seq., which became fully effective in November 1998, certain modifications to the law concerning payment of school impact fees by homebuilders. The District and Developer mutually acknowledge, agree and find that this Agreement sets forth the responsibility of the Developer to mitigate impacts intended to be mitigated by any Statutory Fees, and the California Environmental Quality Act. The Developer and District further acknowledge and agree that this Agreement is not subject to legal challenge as an alleged violation of any terms of SB 50 or any other applicable law concerning the payment of school impact fees by homebuilders; and

WHEREAS, the District acknowledges and agrees that by satisfying the terms of this Agreement, the Developer will fully mitigate the impact of the Proposed Lots on the District's school facilities ("School Facilities").

NOW THEREFORE, in consideration of the promises, covenants and provisions set forth herein, the receipt and adequacy of which consideration is hereby acknowledged, the District and the Developer agree as follows:

ARTICLE I RECITALS

- 1.1 <u>Recitals</u>. The foregoing recitals are true and correct.
- 1.2 <u>Exhibits</u>. *Exhibit A* "Proposed Lots" for the development(s), *Exhibit B* "Memorandum of Agreement," and *Exhibit C* "Location Map of Proposed Lots," attached to this Agreement, are hereby incorporated into this Agreement by reference.

ARTICLE II EFFECTIVE DATE AND TERMINATION

- 2.1 <u>Effective Date</u>. This Agreement shall be effective on the date (the "Effective Date") after the Execution Date upon which the Board of Education of the District approves this Agreement.
- 2.2 <u>Termination</u>. This Agreement shall commence on the Effective Date and shall terminate upon that date when certificates of occupancy have been issued for all of the Proposed Lots and all Parties' obligations under this Agreement have been performed. Upon termination of this Agreement, the District shall deliver to Developer a notice of such termination in a recordable form (including a quitclaim deed if requested) acceptable to Developer. This agreement shall automatically terminate and be of no further force or effect as to each lot of the Proposed Lots upon which a certificate of occupancy has been issued by the City. Upon request by Developer or the lot owner, the District shall deliver to the requesting party a notice of such termination in recordable form (including a quitclaim deed, if requested) reasonably acceptable to the requesting party.

ARTICLE III SCHOOL IMPACT FEES, MELLO-ROOS FUNDING AND ADDITIONAL DEVELOPER FINANCIAL GIFTS

- 3.1 Developer's Commitment to School Facilities Financing. In lieu of payment of the Statutory Fees, and all other school impact mitigation fees and dedications in connection with the Proposed Lots established by the District, Developer shall participate in financing the costs of School Facilities for the Proposed Lots through (i) payment of school impact fees as set forth in Section 3.2, (ii) payment of special taxes as set forth in Section 3.3 (together with the school impact fees, the "Developer's Local Funding"), and (iii) annexation of the Proposed Lots into an existing community facilities district. Developer shall have no obligation to pay any school mitigation fees, costs, dedications or exactions respecting the Proposed Lots other than as provided in this Agreement. In the event Developer is obligated by the State of California or the Federal Government to pay any school mitigation fees, costs, or dedications, the Developer's Local Funding shall be proportionally adjusted so that Developer does not pay more than the amount provided for in this Agreement.
- 3.2 <u>School Impact Fees</u>. Developer shall pay District the school impact fees as set forth herein as to all single-family Proposed Lots. Developer represents that the Project does not include any commercial, age-restricted or multi-family residential units. To the extent Developer applies for a zoning variance to construct commercial, age-restricted of multi-family residential units as part of the Project, Developer shall meet with the District in good faith to negotiate an amendment to this Agreement to ensure the impacts of such development are addressed in a manner consistent with the intent of this Agreement.

On the date of issuance of a certificate of occupancy for units constructed under this Agreement on each Proposed Lot, Developer shall make a payment in an amount of \$18,879.10 per unit (the "Fee"), as a condition to the issuance of a certificate of occupancy for each such unit by the City, regardless of the square footage of the unit. The Fee on the Proposed Lots shall be annually adjusted pursuant to Section 3.4.1.

3.3 Annexation Into Existing Community Facilities District. The District shall assist with, and by execution of this Agreement, Developer consents to the annexation of the Proposed Lots into the existing Mello-Roos Community Facilities District known as CFD No. 2, to offset a portion of the costs of the School Facilities to serve the Proposed Lots. CFD No. 2 shall annex the Proposed Lots with the requirements of the Mello-Roos Community Facilities Act of 1982, as amended (California Government Code Section 53311, et seq.; the "Act"). The specific date selected for commencement of the annexation, which shall be the adoption of a resolution of intent to annex ("Commencement"), shall be selected by the District upon written notice by Developer of identification of single-family Proposed Lots to be annexed, provided the District shall select a Commencement date so that (i) annexation will be completed in a reasonable time and with the best efforts of the District and Developer, and (ii) the required special tax lien will be recorded in accordance with the Act. Both District and Developer shall reasonably cooperate in order to facilitate the completion of annexation within a reasonable time.

Developer shall provide the District with written notice of the name of the Project, the proposed tentative tract map number, the approving local agency, and the date that the tentative

tract is to be considered for approval, no later than thirty (30) days before District's obligation to reasonably initiate Commencement shall begin. Developer shall reasonably cooperate with the annexation of the Proposed Lots into CFD No. 2 provided for in this Agreement. No special tax shall be imposed by CFD No. 2 upon undeveloped lots (for which construction has not begun) within the boundaries of CFD No. 2 without the prior written approval of the Developer. At the time each building permit for a parcel is issued by the City, the District shall assign the special tax to the parcel already annexed into CFD No. 2 in the amount of \$543.93 ("CFD Tax"), as recorded by the special tax lien. The CFD Tax shall be annually adjusted pursuant to Section 3.4.2.

Prior to approval of any Final Tract Map for the Proposed Lots, the Proposed Lots included in that Final Tract Map shall be included in CFD No. 2. The District shall timely initiate Commencement for annexation of the Proposed Lots into CFD No. 2 to avoid delay of City Council approval of any Final Tract Map for the Proposed Lots. Developer shall cooperate in a timely manner to assist the District in the annexation of the Proposed Lots into CFD No. 2.

- 3.4 <u>Annual Adjustments</u>. The Fee and the CFD Tax shall be adjusted on an annual basis, beginning February 1, 2018 and every year thereafter as follows:
- 3.4.1 The Fee. The Fee shall be annually adjusted by the greater of: (1) the change in the Construction Cost Index ("CCI") set forth in the Engineering News Record ("ENR") for the California Region-All Construction (consisting of the total average CCI of the cities of Los Angeles, San Francisco and any other cities or areas added to the list of ENR California cities) if available for the previous one year period of January 1st through December 31st, converted to an annual rate of increase, or (2) the inflation factor applied by the State to the per pupil grant amount pursuant to Education Code Section 17072.10 ("statewide cost index for class B construction as determined by the board").
- 3.4.2 <u>CFD Tax.</u> Subject to any limits set forth in applicable State law, the CFD Tax shall be adjusted by the greater of: (1) the change in the CCI set forth in the ENR for the California Region-All Construction (consisting of the total average CCI of the cities of Los Angeles, San Francisco and any other cities or areas added to the list of ENR California cities) if available for the previous one year period of January 1st through December 31st, converted to an annual rate of increase, or (2) the inflation factor applied by the State to the per pupil grant amount pursuant to Education Code Section 17072.10 ("statewide cost index for class B construction as determined by the board. Once the special tax rate is assigned to any specific parcel or residential unit, the escalation process herein shall cease and instead, such special tax rate shall be subject to annual increases of not-to-exceed two percent (2%), compounded.

ARTICLE VIII INTENTIONALLY OMITTED

ARTICLE IX MISCELLANEOUS

- 9.1. Developer Support of District-Wide Funding. Developer shall not oppose the District in its efforts to gain voter approval, if any, of the annexation of the Proposed Lots into CFD No. 2 so long as that CFD shall provide for (a) financial terms comparable to those set forth in this Agreement to be applied to undeveloped lots when designated by the City or County as individual residential lots by entitlement of a General Plan or Zoning amendment, Specific or Area Plan and/or Tentative or Final Tract Map, and (b) the levying of a specific annual fee to be applied to existing residential constructed lots within the District as of the date of the voter approval of a ballot measure. In the event that the District seeks voter approval of the annexation of the Proposed Lots into CFD No. 2 that is in excess of the financial terms of this Agreement, then the District shall seek the support of Developer, and Developer may at its sole discretions, support or oppose the ballot measure.
- 9.2 Payments and Advances by Developer. The District and Developer reserve the right to apply any payments and/or advancements made by Developer for the costs of on-site or off-site improvements, or other financial obligations paid by Developer and approved by the District, in satisfaction of an equivalent amount of school impact fees required pursuant to this Agreement. Such credits may include, but are not limited to, the on- and off-site improvements. Any such credits shall be applied against the Proposed Lot Fees and/or the Fee at the sole discretion of the District.

ARTICLE XI DISPUTES

11.1 In General. If a dispute arises relating to the interpretation of, enforcement of or compliance with the terms of this Agreement, the Developer and the District shall first attempt to resolve such dispute through informal discussions or other alternative means. ARTICLE XII INTENTIONALLY OMITTED

ARTICLE XIII BINDING ON SUCCESSORS RECORDING OF DOCUMENTS-INCORPORATION OF AGREEMENT INTO DEVELOPMENT APPROVAL DOCUMENTS

- In General. The Developer acknowledges that all terms and conditions of the Agreement shall be binding on all successors-in-interest, including but not limited to, purchasers of all or a portion of the Proposed Lots, except as provided for at Section 13.1.1 hereinafter. The Developer agrees to execute, simultaneously with the execution of the Agreement, a Memorandum of Agreement to be recorded against the Proposed Lots in the real property records of the County in the form attached hereto as Exhibit B according to the following schedule. Developer shall cause a Memorandum of Agreement to be recorded on Proposed Lots on or about the date which is the later of the date (i) Developer obtains annexation or tentative tract approval of those lots, whichever is earlier, and (ii) the date Developer acquires fee simple title to those lots. Since it is anticipated this schedule will require recordation of separate Memorandums of Agreement as portions of the Proposed Lots meet the foregoing schedule at different times, Developer shall sign and cause to be recorded additional Memorandums of Agreement as and when required under this Section. The District shall forward to Developer a conformed copy of the recorded Memorandum of Agreement within ten (10) days following return of the recorded original to the District from the recorder's office. In addition, within thirty (30) days following the closing of a bulk sale of the Proposed lots by Developer, Developer shall provide district written notice of the sale, which notice shall include (a) the name of the Buyer, (b) the name of the subdivision, (c) the number of lots, (d) the name, address and telephone number of Buyer's representative, and (e) the closing date.
- 13.1.1 Not Applicable to Home Buyer. This Agreement shall not apply to any agreement between the Developer and a member of the home-buying public pursuant to which such home buyer has agreed to purchase a single lot upon completion of construction of a dwelling unit on such lot, or any subsequent sale of such lot after such home buyer acquires the completed home. This Agreement shall automatically terminate on a lot-by-lot basis upon the conveyance of that lot to a member of the home-buying public following completion of construction of a dwelling unit on such lot.
- 13.1.2. <u>No Effect on CFD</u>. Notwithstanding any termination of this Agreement arising under the provisions of Article II hereof, the operation of any CFD applicable to that lot shall continue unaffected by such termination.

SUBJECT TITLE: County Treasurer's Quarterly Investment Report REQUESTED ACTION: None—Report only Action Discussion/Information X RECOMMENDATION: The Board is asked to review the County Treasurer's Quarterly Investment Report for the period ending June 30, 2017. A copy of the report is attached. **BACKGROUND INFORMATION:** Government Code Section 53646 requires the chief fiscal officer to prepare a quarterly report of the district's investments for the superintendent and Board. However, if the district places all of its investments with the County Treasury, Local Agency Investment Fund or in FDIC-insured accounts, the chief fiscal officer may supply the statements or reports from these agencies as opposed to preparing a report. HOW DOES THIS ACTIVITY SUPPORT BOARD GOALS? This is an operational activity and does not directly support a Board goal. **ALTERNATIVES/IDENTIFIED OPPOSITION:** N/A SPECIFIC FINANCIAL IMPACT (Include impact on School District Facilities): N/A

MEMORANDUM OF UNDERSTANDING BETWEEN MERCED COUNTY DISTRICT ATTORNEY'S OFFICE, THE MERCED COUNTY SUPERINTENDENT OF SCHOOLS, AND ALL MERCED COUNTY SCHOOL DISTRICTS

This Agreement is made by and between the Merced County District Attorney's Office ("DA"), the Merced County Superintendent of Schools ("County Superintendent") and all Merced County School Districts (collectively referred to as the "Districts") for the employment of a county-wide truancy officer ("County Truancy Officer") to implement the "Here to Learn Program."

Recitals

- A. The DA, the County Superintendent, and the Districts desire to improve student attendance at school, the cornerstone of learning.
- B. The DA, the County Superintendent, and the Districts are aware of the potential for crime, drug and alcohol use, and community disturbances, in addition to the loss of education, when students are not attending school. The parties believe that the having a County Truancy Officer directly involved with the youth attending schools within Merced County will help minimize these impacts.
- C. The DA, the County Superintendent, and the Districts desire the County Truancy Officer to create an atmosphere of cooperation between staff, parents, and law enforcement to decrease truancy and tardiness in school, and to promote student attendance and a safe educational environment.
- D. The DA, the County Superintendent, and the Districts desire to set forth the duties and responsibilities of the parties with respect to employment of a County Truancy Officer to assist the Districts and implement the "Here to Learn Program".

The DA, the County Superintendent, and the Districts agree as follows:

- 1. <u>Term of Agreement</u>. This Agreement shall be effective July 1, 2017 and shall remain in effect until June 30, 2019, unless extended or terminated as provided by the terms of this Agreement.
- 2. County Superintendent as Lead Educational Agency. The Districts designate the County Superintendent as the lead educational agency to communicate with the DA and all of the Districts to implement this Agreement.
- 3. **Programmatic Feedback.** Prior to March 15, 2019, the DA and the County Superintendent will provide the Districts with a written report evaluating the effectiveness of the County Truancy Officer in accomplishing the goals of this Agreement. The County Superintendent and the Districts agree to determine whether this Agreement shall be renewed prior to June 1, 2019.

- 4. Renewal/Expiration of Agreement. This Agreement shall automatically renew for additional one year increments (July 1 to June 30) unless the County Superintendent notifies the DA or the DA notifies the County Superintendent in writing on or before June 1, 2019 that the Agreement will not be renewed. If the Agreement is renewed, it shall thereafter automatically renew each year for additional increments of one year (July 1 to June 30) unless the County Superintendent or the DA provides advance written notice of termination to the other party by June 1 of any renewal year. In the event of non-renewal, the termination will be effective on June 30.
- 5. School District Participation. All participating districts agree to participate in the "Here to Learn Program" for the initial two (2) years of this Agreement. However, any of the Districts may elect not to participate in this Agreement thereafter by providing the County Superintendent with written Notice of Non-Participation on or before May 1, 2019, or on or before May 1 of any subsequent renewal year of this Agreement. If a district elects not to participate, the District shall cease its participation in the Agreement on June 30 of the school year in which the Notice of Non-Participation is issued. The decision by one or more districts not to participate in this Agreement after the conclusion of the first two (2) years shall not impact the effectiveness of this Agreement with respect to the remaining Districts.
- 6. Payment for Services. In exchange for the provision of the County Truancy Officer's services, County Superintendent shall pay DA, on an annual basis, the sum of One hundred and forty-five thousand dollars (\$145,000), which shall represent payment to the DA in full for the annual services of the County Truancy Officer. County Superintendent's payment to the DA shall be a single lump sum payment made annually on or before July 30, commencing with July 30, 2017. Any costs for an interpreter requested by a District will be the responsibility of the requesting District, not the DA or the County Superintendent.
- Payments from the Districts to the County Superintendent. The Districts shall pay to the County Superintendent \$1.00 per average daily attendance ("ADA") per year, based upon each District's First Interim (P1) Report. The Districts hereby authorize the County Superintendent to electronically deduct such payments on an annual basis each December, commencing December 2017. County Superintendent agrees to provide each of the Districts with written notice of the amount of the payment and the basis of the calculation.
- 8. Cost Allocation upon Withdrawal of any School District. If any of the Districts withdraws from this Agreement, their ADA shall be calculated and that amount shall become the obligation of the County Superintendent. Therefore, no district's withdrawal shall impact the fee obligation of any other district.

- 9. <u>Scope of Service</u>. Under the DA's supervision, the DA agrees to assign one full-time employee to serve as the County Truancy Officer at the Districts' schools. The County Truancy Officer's duties shall be as follows:
 - 9.1. The County Truancy Officer shall coordinate with local school officials, probation officers, and other law enforcement officers to address student truancy by identifying habitual truants, and students likely to become habitual truants, and redirecting such students in ways that increase school attendance.
 - 9.2. The County Truancy Officer shall help truant students develop more positive school attendance habits and provide referrals to appropriate truancy prevention services, with a particular focus on kindergarten and early elementary school students.
 - 9.3. The County Truancy Officer shall assist the Districts after the Districts have sent parents a second truancy notice. County Truancy Officer assistance shall be conducted as described in the Education Code and other applicable laws and may include home contacts, truancy sweeps, truancy notices, meetings with the truant minor and his/her parent(s), referral for a work project, referrals to service providers, referrals to the School Attendance Review Board ("SARB"), and participation in the SARB process as appropriate or necessary.
 - 9.4. The County Truancy Officer shall review truancy programs operating in districts outside of Merced County and assist the Districts with the development and implementation of best practices to reduce truancy, and increase student attendance and participation at school. Best practices include, but are not limited to, the issuance of appropriate attendance tracking systems, truancy notices, home interventions, family assistance, and other research based programs that reduce truancy.
 - 9.5. The County Truancy Officer will provide written monthly reports to the County Superintendent regarding work done each month under this Agreement, including but not limited to, the number of home visits, student and parent contacts, presentations, meetings attended, and other related attendance recovery activities. The details and forms for these reports shall be jointly developed by the County Superintendent and the DA. The County Superintendent agrees to share these reports at periodic meetings with the Districts.
 - 9.6. The County Truancy Officer will provide a yearly report to the County Superintendent and, utilizing the data from the monthly reports, analyze the effectiveness of interventions taken to address student truancy and determine best practices that may be implemented county-wide to improve student attendance and reduce truancy. County Superintendent agrees to share this annual report with the Districts.

- 9.7. The County Truancy Officer will also participate in other activities not specifically covered in this MOU that are mutually agreed upon by the DA and the County Superintendent. The County Superintendent shall make such decisions in consultation with the Districts.
- 10. <u>Employment</u>. The County Truancy Officer is an employee of the DA, and is not an employee or agent of the County Superintendent or any of the Districts. The County Truancy Officer shall be subject to the administration, supervision, and control of the DA. The DA shall provide appropriate workers compensation and other benefits and insurance as is provided to similar employees. The County Truancy Officer shall be subject to all personnel policies and practices of the DA. Any disciplinary problems, concerns, or alleged improprieties involving the County Truancy Officer shall be brought to the attention of the County Superintendent who shall communicate the concerns to the DA and/or the supervisor overseeing the County Truancy Officer.
- 11. Hours of Employment. The County Truancy Officer will work full-time, twelve months per year, eight (8) hours per day (excluding vacation). The County Truancy Officer shall be scheduled to work during the academic school year schedule of the Districts. Vacation and, to the maximum extent possible, all other leaves, shall be scheduled outside of the school day and outside of the academic school year. Training days shall also be scheduled outside of the academic school year calendar, to the maximum extent possible. The County Superintendent and the DA shall agree on the County Truancy Officer's work schedule at the beginning of each school year.
- 12. <u>Selection of County Truancy Officer</u>. The DA will be responsible for selecting the County Truancy Officer; however, the County Superintendent and Districts shall be allowed to provide input. In addition, the DA shall designate an employee to serve as the acting County Truancy Officer for days when the designated County Truancy Officer may be on leave, absent for training, or otherwise not available.
- 13. <u>Training</u>. The DA shall be responsible for training the County Truancy Officer (and their substitute) to ensure the individuals serving as County Truancy Officer have the needed experience and qualifications. County Superintendent shall communicate to the DA training suggestions as appropriate, based on input from the Districts.
- 14. Evaluation. The DA, the County Superintendent, and the Districts agree on the importance of evaluating the County Truancy Officer. The DA and the County Superintendent will work together to develop and implement an appropriate evaluation procedure. The County Superintendent agrees to consult with the Districts on these evaluation procedures. The DA agrees to share the County Truancy Officer's evaluation results with the County Superintendent to the extent permitted by law.

- 15. <u>Compliance with Laws</u>. This Agreement shall be implement in accordance with all applicable laws. In addition, the DA, the County Superintendent, and the Districts will work collaboratively to respond and implement evolving legal requirements affecting this Agreement.
- 16. <u>Student Discipline</u>. The certificated administrators of each school of the Districts shall be responsible for any student discipline arising out of any student truancy and shall make all decisions regarding the imposition of discipline for students enrolled at their campus.
- 17. Student Records. The parties agree that the County Truancy Officer shall be deemed to be a "school official" for the performance of the County Truancy Officer's duties on behalf of the County Superintendent and the Districts. The County Truancy Officer shall therefore be allowed access to student records, but the relevant District shall remain in direct control of the use, maintenance, and disclosure of that District's student records in accordance with the Education Code and other applicable provisions of law. School officials of the Districts shall allow the County Truancy Officer to inspect and copy any student records maintained by that District for which the County Truancy Officer has a "legitimate educational interest" within the scope of the County Truancy Officer's service under this Agreement. This includes access to student directory information to the extent permitted by District policy, attendance records, and discipline files. However, the County Truancy Officer may not inspect or copy confidential student records outside the scope of the County Truancy Officer's service, except as allowed by law, such as upon the issuance of a subpoena, court order, or written authorization of the parent/guardian.
- 18. <u>Discrimination</u>. Neither the DA, County Superintendent, nor the Districts shall discriminate on any basis prohibited by state or federal law.

19. Indemnification.

- 19.1 The DA shall indemnify, defend, and hold harmless the County Superintendent and Districts, its officers, agents and employees from and against any and all claims, losses, liabilities or damages, demands and actions, including payment of reasonable attorney's fees, arising out of or resulting from the performance of this Agreement, caused in whole by any negligent or willful act or omission of the DA, its officers, agents, employees, or anyone directly or indirectly acting on behalf of the DA.
- 19.2 The County Superintendent shall indemnify, defend, and hold harmless the DA, its officers, agents and employees from and against any and all claims, losses, liabilities or damages, demands and actions, including payment of reasonable attorney's fees, arising out of or resulting from the performance of this Agreement, caused in whole by any negligent or willful act or omission of the County Superintendent, its officers, agents,

- employees, or anyone directly or indirectly acting on behalf of the County Superintendent.
- 19.3 The Districts shall indemnify, defend, and hold harmless the DA, its officers, agents and employees from and against any and all claims, losses, liabilities or damages, demands and actions, including payment of reasonable attorney's fees, arising out of or resulting from the performance of this Agreement, caused in whole by any negligent or willful act or omission of the Districts, their officers, agents, employees, or anyone directly or indirectly acting on behalf of the Districts.
- 19.4 It is the intention of the DA, County Superintendent, and Districts that, where fault is determined to have been contributory, principles of comparative fault will be followed and each party shall bear the proportionate cost of any damage attributable to the fault of that party, its officers, directors, agents, employees, volunteers, subcontractors, and Governing Board.
- 19.5 Each party shall immediately notify the other party of any claims or legal actions arising out of the performance of this Agreement.
- 20. Amendments. No Substantive Amendment to this Agreement shall be valid unless it is set forth in writing, signed by all parties, and approved by each entity's governing board. A Substantive Amendment is defined as changes that materially impact the operation or goals of the Agreement. Non-Substantive amendments may be made by the County Superintendent and the DA; however, the County Superintendent shall not enter into any non-substantive amendment without first consulting with the Districts. A district's decision to withdraw or cost changes between the County Superintendent and the DA are understood to be non-substantive changes. The County Superintendent's decision regarding what constitutes a Substantive Amendment shall be final but it shall not be made without first providing the Districts with a reasonable opportunity for input.
- 21. Entire Agreement. This Agreement constitutes the entire agreement between the DA, County Superintendent, and Districts regarding the subject matter of this Agreement.
- 22. <u>Severability</u>. If any term or provision of this Agreement is determined to be unlawful or in conflict with any law of the State of California, the validity of the remaining portions or provisions shall not be affected. Each term or provision of the Agreement shall be valid and enforced as written to the fullest extent permitted by law.
- 23. Governing Law/Venue. This Agreement, and the rights and obligations of the parties, shall be construed and enforced in accordance with the laws of the State of California. Venue shall be in Merced County, California.

- 24. <u>Construction</u>. This Agreement shall not be construed more strongly in favor of or against either party regardless of which party is responsible for its preparation.
- 25. <u>Execution of Other Documents</u>. The parties shall cooperate fully in the execution of any other documents and in the completion of any other acts that may be necessary or appropriate to give full force and effect to this Agreement.
- 26. <u>Waiver</u>. Any waiver of any breach of any term or provision of this Agreement shall be in writing and shall not be construed to be a waiver of any other breach of this Agreement.
- 27. <u>Board Approval</u>. The effectiveness of this Agreement shall be contingent upon approval by the Districts' Governing Boards as required by law.

Discussion/Information

RECOMMENDATION:

It is recommended the Board approve overnight/out-of-state travel for Los Banos High School and Pacheco High School students and teachers to travel to Indianapolis, Indiana and Washington DC to attend the National FFA Convention and Leadership Trip from October 24 to November 1, 2017.

BACKGROUND INFORMATION:

Eleven (11) students, representing Los Banos and Pacheco High Schools, will be attending along with one teacher from each high school as well as several parent chaperones.

This activity will provide students with an opportunity to observe and experience leadership at the student level as well as the federal level. Students will be able to see first hand how their nation is run and will be able to relate what they learn in their government classes to real world experiences.

This is an operational activity and does not support a specific Board goal. All student overnight and teacher out-of-state travel requires prior Board approval.

ALTERNATIVES/IDENTIFIED OPPOSITION:

None

SPECIFIC FINANCIAL IMPACT (Include Impact on School District Facilities):

There is no financial impact to the District; the trip is sponsored by the Los Banos Ag Boosters.
