1-28-22 Daily Notification for All COVID-19 Positive Cases-Staff and Student

This is a notification that 41 individuals tested positive for COVID-19 district-wide. See below for specific sites and the last date on-site for each. **All close contacts have been notified per contact tracing guidelines. If you were not notified, you were not a close contact of the positive individual.** Please continue to follow safety precautions and self-monitoring for symptoms of COVID-19. If you have any questions, please email COVIDQuestions@losbanosusd.net
