

## 2/24/23 Daily Notification for All COVID-19 Positive Cases-Staff and Student

This is a notification that 5 individuals tested positive for COVID-19 district-wide. See below for specific sites and the last date on-site for each. **All close contacts have been notified per contact tracing guidelines. If you were not notified, you were not a close contact of the positive individual.** Please continue to follow safety precautions and self-monitoring for symptoms of COVID-19. If you have any questions, please email [COVIDQuestions@losbanosusd.net](mailto:COVIDQuestions@losbanosusd.net)

| Site | Number of Positive Employees | Last Day on Campus/Office/Department |
|------|------------------------------|--------------------------------------|
| None | 0                            | N/A                                  |

| Site                      | Number of Positive Students | Last Day on Campus |
|---------------------------|-----------------------------|--------------------|
| Mercey Springs Elementary | 1                           | 2/23               |
| Henry Miller Elementary   | 1                           | 2/22               |
