

**BARNEVELD SCHOOL DISTRICT
RESPONSE TO INTERVENTION**

The Barneveld School District Board of Education recognizes the benefits and supports the development of PK through grade 12 intervention.

The Barneveld School District will make every reasonable effort to ensure that each student learns the necessary skills, concepts and content of the course or subject area in which he/she is enrolled. Appropriate intervention (inclusion or pull-out) and/or tutoring programs shall be provided at all grade levels. The intervention team will decide the placement of students in intervention programs. The PK-12 principal, who may sit on each team, will review all team placements and transitions. The district administrator will be responsible for budgets and staffing district-wide.

Staff members are expected to employ personalized instructional methods and utilize a variety of resources in providing intervention beyond the formal intervention program.

The Barneveld School District does not discriminate on the basis of sex, race, color, religion, creed, age, national origin, ancestry, pregnancy, marital status, sexual orientation, or disability.
