

Hoxie Public Schools

Annual Report to the Public

2022—2023

Mission Statement

The mission of Hoxie School District is to promote a culture of lifelong learning, in which all students excel, in a safe environment that values and respects diversity where students are vested in their future.

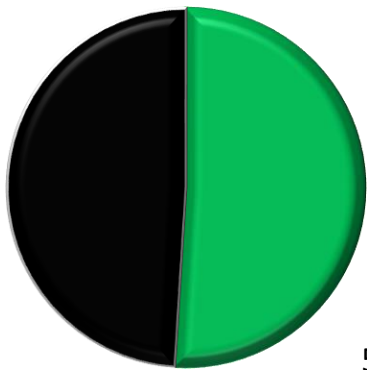

Changes to State Reports for Testing

- Due to the extraordinary circumstances created by the COVID-19 pandemic and resulting school closures, states were provided flexibility regarding the assessment and accountability requirements under the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the Every Student Succeeds Act (ESSA). Given the widespread, extended school closures, and the interruption in school operations and on-site classroom education, Arkansas canceled administration of state testing for the spring of 2020.
 - ACT Aspire
 - Dynamic Learning Maps (DLM)
 - K-2 assessments.
- No letter grade or ESSA score was given assigned for the 2020-2021 school year.
- For the 2021-2022 school year, ESSA scores were given without letter grades.
- **For the 2022-2023 school year, schools will receive both ESSA scores and letter grades.**

A collection of colorful, 3D mathematical symbols including numbers 1-9, a plus sign, a minus sign, and a multiplication sign, scattered on a blue surface. The symbols are made of a matte material and are arranged in a somewhat chaotic pattern. The colors include yellow, red, blue, and green. The text "Elementary Math" is overlaid in white, sans-serif font in the center of the image.

A pair of black-rimmed glasses is resting on a stack of books. The glasses are positioned in the center of the frame, with the lenses facing forward. The books are stacked on top of each other, and the pages are visible. The background is a soft, out-of-focus blue-grey color. The text "High School English" is overlaid in white, sans-serif font on the left side of the image.

Assessment Updates

Grades K-2

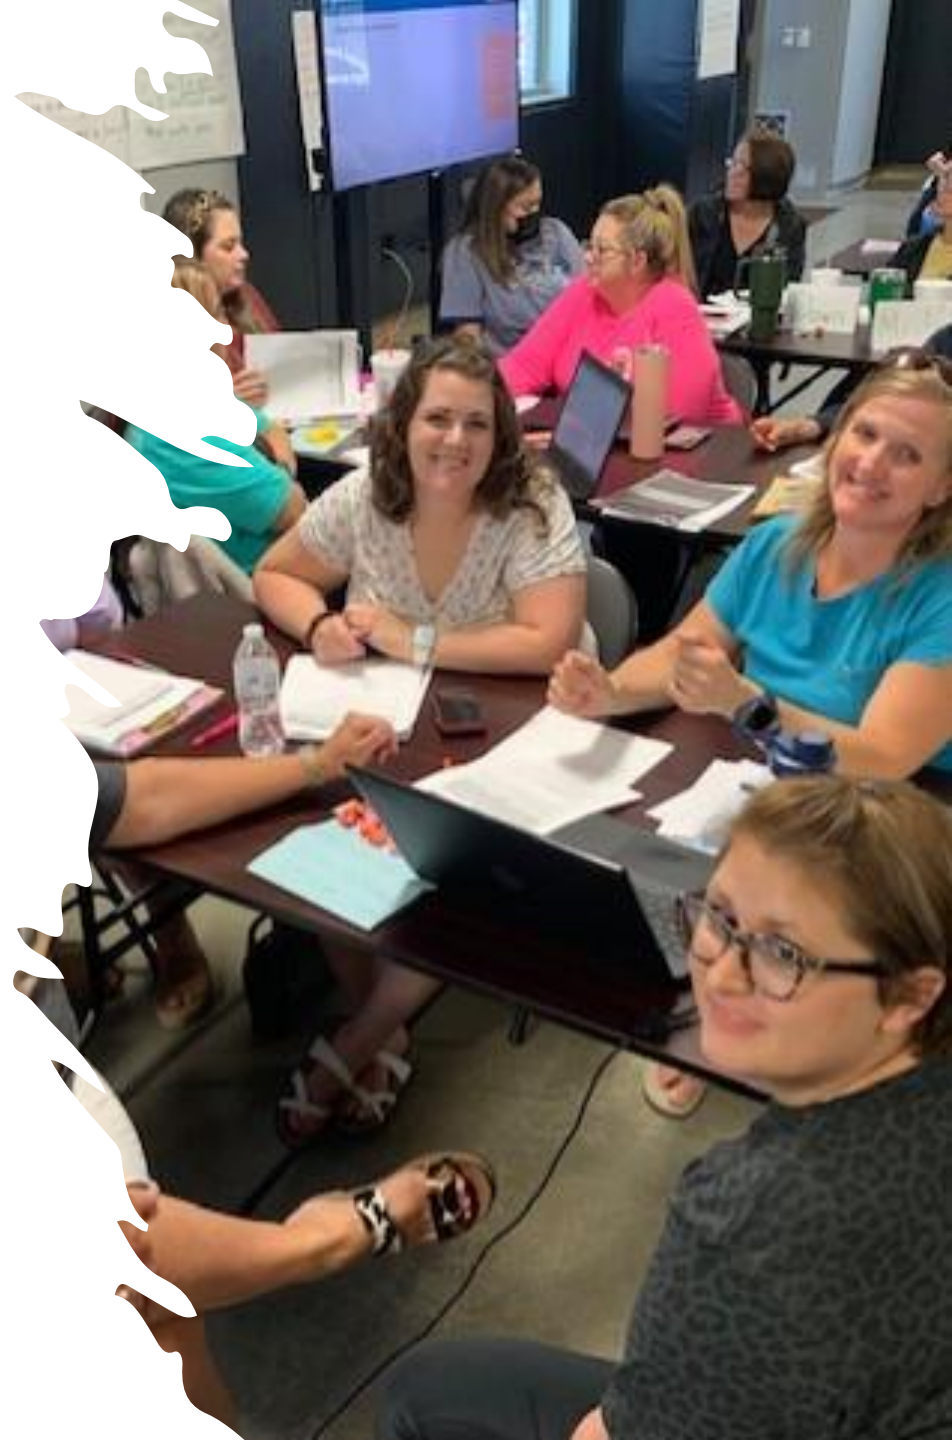

- Continue Renaissance Star Assessments in math and literacy
 - Administered at least three times throughout the year to monitor student learning and help drive instruction
 - Immediate feedback for teachers

Grades 3-11

- Continue Renaissance Star Assessments in math and literacy to help drive instruction
 - Administered at least three times during the year
 - Provide real-time data to help drive instruction focusing on individual student needs
 - Immediate feedback for teachers
- ACT Aspire
 - Administered in the spring
 - Receive results in the summer
 - 2022 – 2023 will be the last year

NIET Partnership

- Grant through the Arkansas Rural Educator Network to support educators through district partnerships to provide in-depth support
 - Funded by the Walton Family Foundations totaling close to \$200,000 over 3 years
 - Extended to 4 years
- NIET conducted a strengths-based needs assessment and collaboratively developed a support plan with the district leaders
- NIET will work alongside the district team to continually monitor, reflect, and adjust support as needed
- Effective Professional Learning Committees (PLCs) will be implemented through facilitated support from NIET

PEER Fast Facts

	Number Served
Districts and Charters	20
Schools	61
Teachers	2,239
Teacher leaders	118
Students	24,368

PEER Network Partner School

- PEER (Promoting Educator Effectiveness in Rural Arkansas) is provided by a grant awarded to the Arkansas Public School Resource Center through the U.S. Department of Education to raise student growth and academic achievement and to close the achievement gap between high- and low-performing students.
- The PEER network utilizes a Performance-Based Compensation System (PBCS) to support and promote educator effectiveness in rural Arkansas schools.

PEER Teacher Leaders

- Teacher leaders are those who are respected by their peers, are continuous learners, and support the growth of their peers through distributed leadership.
- Through the PEER network, designated teacher leaders will receive training, coaching, and job-embedded support through personalized performance management by a PEER Coach.
- PEER Leaders will share new learning with other teachers in the school.

PEER Teacher Leaders

Elementary

- Dawn Kopp
- Kim Washburn
- Amy Barnhill

High School

- Dedra Riggs
- Angie Abbott

New Teacher Leaders will be added each year through a selection and application process.

Professional Development: Summer 2022

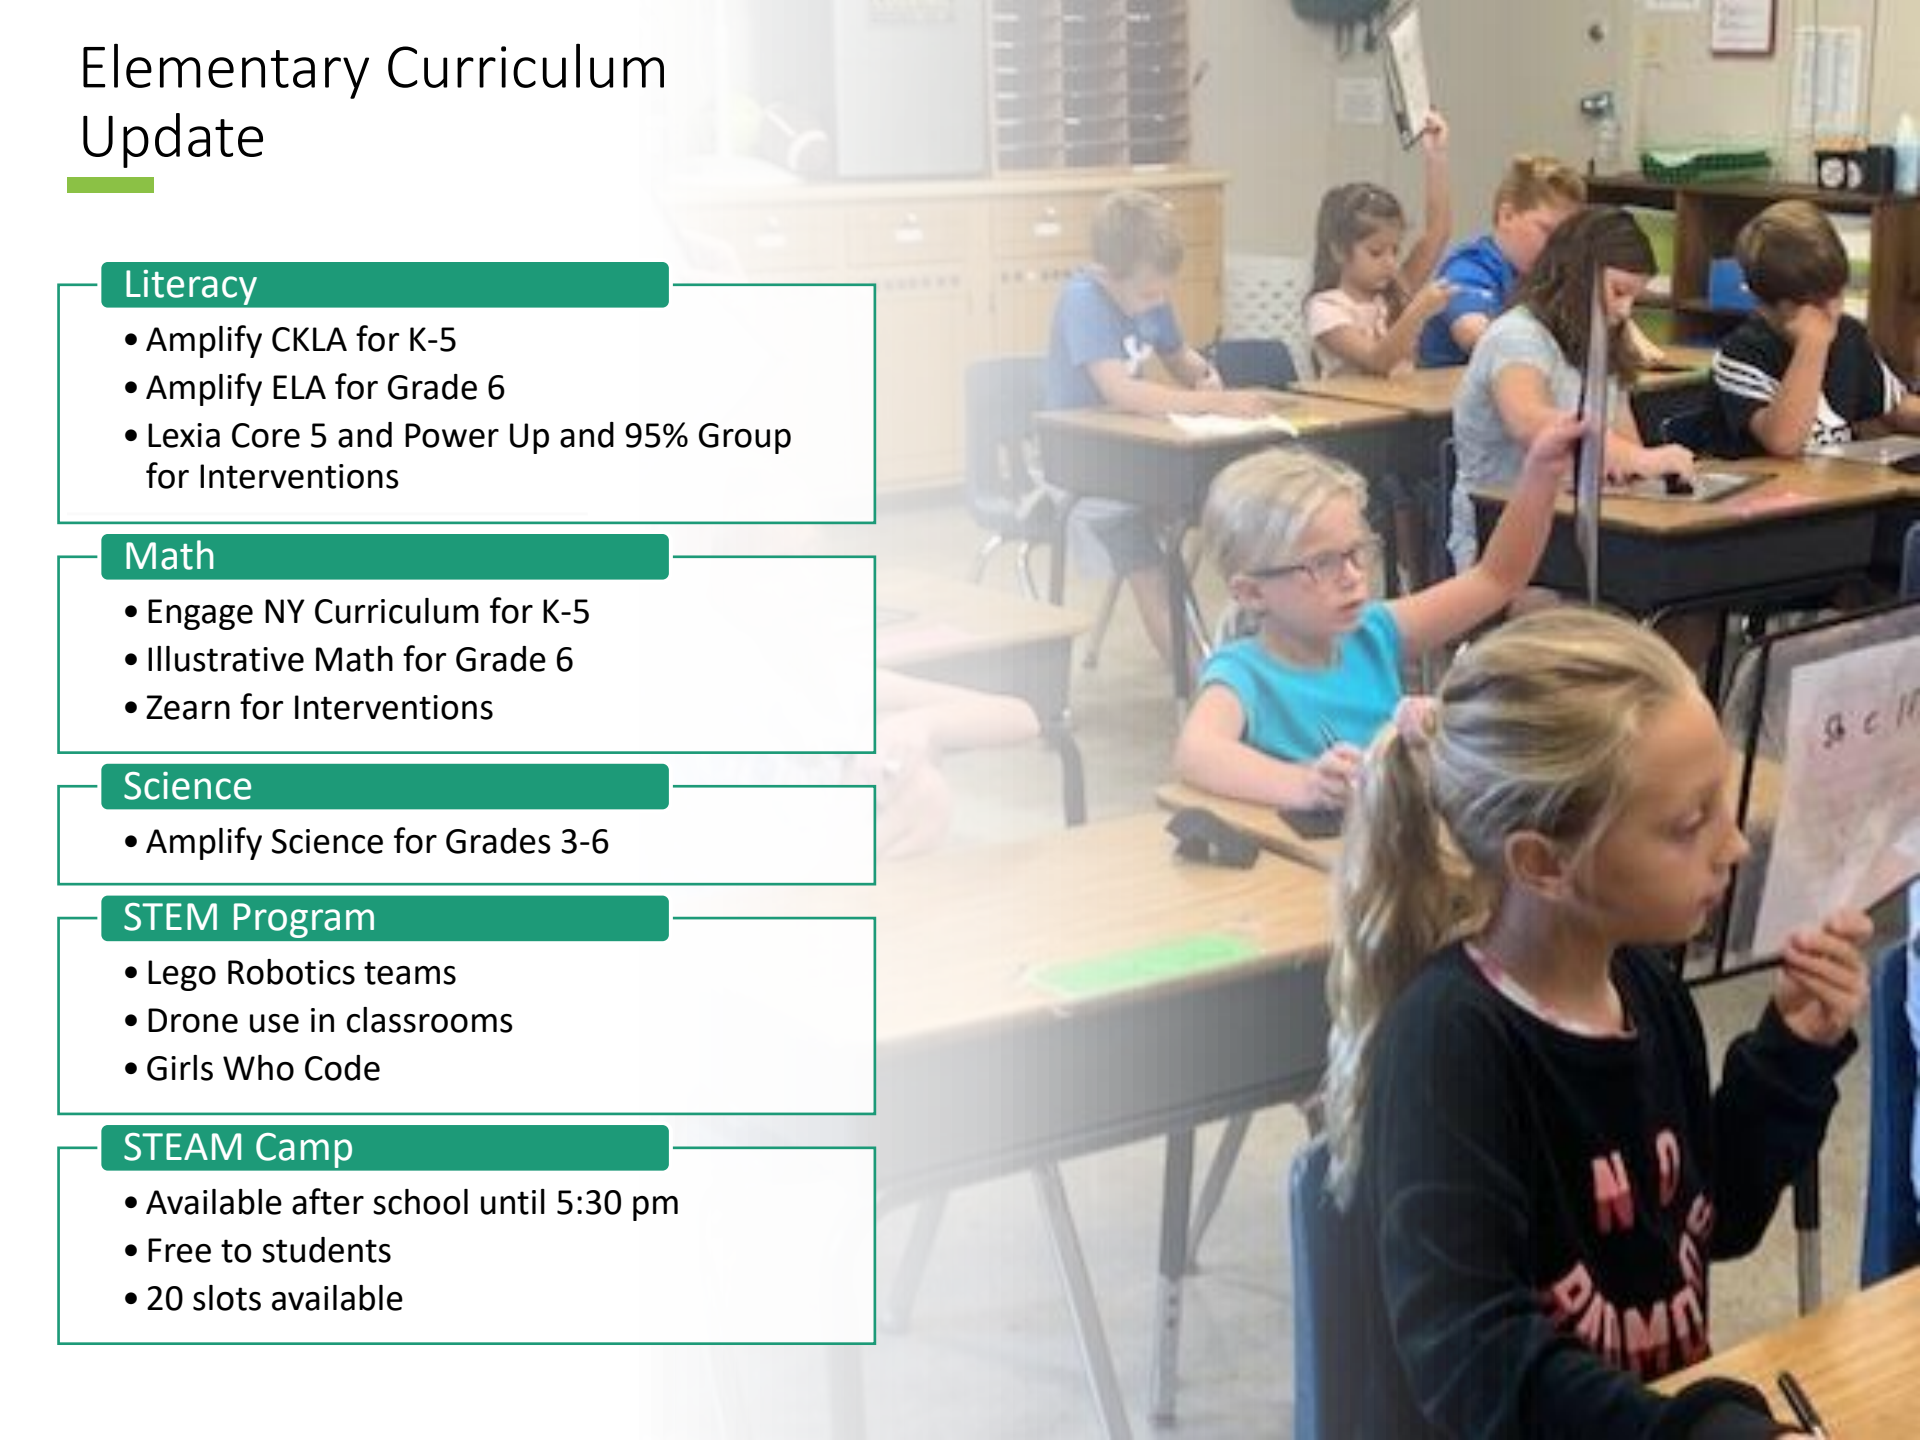

- **Science of Reading**– teachers across the district were trained on implementing Amplify CKLA, utilizing SoR Look-For documents, and analyzing data for grouping to meet the science of reading
- **Accelerated Learning**– teachers learned to analyze reliable data sources to determine trends in student needs and examine an approach to accelerated student learning to support learning through standards and data trend analysis.
- **FLVS** – Hoxie Online Academy teachers were trained on using the Florida Virtual School curriculum to provide instruction for our online students
- **Family and Community Engagement**– teachers learned steps they can take to invite caregivers into the daily operations of schools and broaden the definition of parental involvement toward a more inclusive, community-based definition that encompasses all types of caregivers
- **Universal Design for Learning (UDL)**– teachers examined the purpose of UDL and knowledge and application of high-quality classroom instruction for all students, including students with disabilities
- **Homelessness** – Bus drivers learned to identify the signs of homelessness and steps for reporting it (Teachers will be trained at a later date.)

AR
Teacher
Residency
Model

Allows high school students and paraprofessionals to become a certified teacher for FREE

Currently have 3 paraprofessionals enrolled in the program

Elementary Curriculum Update

A background image of a classroom with several young students sitting at their desks. Some students are holding up papers or charts, and others are looking towards the front of the room. The classroom has wooden desks and a bulletin board in the background.

Literacy

- Amplify CKLA for K-5
- Amplify ELA for Grade 6
- Lexia Core 5 and Power Up and 95% Group for Interventions

Math

- Engage NY Curriculum for K-5
- Illustrative Math for Grade 6
- Zearn for Interventions

Science

- Amplify Science for Grades 3-6

STEM Program

- Lego Robotics teams
- Drone use in classrooms
- Girls Who Code

STEAM Camp

- Available after school until 5:30 pm
- Free to students
- 20 slots available

High School Curriculum Update

Literacy

- Study Sync

Math

- Illustrative Math

Science

- Amplify Science for grades 7-8

Social Studies

- Psychology and Sociology added

CTE

- New Marketing Program
- Human Behavior in the Social Environment

Enrichment Programs

- Lego Robotics
- Archery Team
- EAST
- Esports

Parent and Community Involvement

- Hoxie Online Academy training for families provided prior to school starting. The training included navigating the curriculum's LMS, Microsoft Teams, and any other programs the students may utilize.
- Open House to allow teachers to meet with parents and families about the upcoming year
- School Eats tasting in the cafeteria for parents and families
- Other Planned Events for 2022-2023:
 - Elementary Parent Night
 - Fall Trunk-or-Treat
 - Mustang Stampede Showcase
 - Tailgating Activities for Football Homecoming

Title 1

- Programs funded by Title 1:
 - Student Interventions
 - Interventionists work one-on-one and in small groups with students in need of extra support
 - All paraprofessionals have been trained to provide explicit interventions in both literacy and math
 - Technology
 - Interactive TVs
 - Student laptops
 - Before and After School Tutoring
 - Available for students in K – 12
 - Instructional supplies for high school and elementary

Title 1

- Parents Right to Know
 - Parents may request information on professional qualifications of their child's teachers and/or paraprofessionals
 - Upon request of parents, opportunities for meetings will be arranged to allow parents to give suggestions in decisions regarding their child's education

HOXIEONLINE.CO

Hoxie Online Academy

- About 20-25 students currently enrolled
- Florida Virtual School (FLVS) for online curriculum support

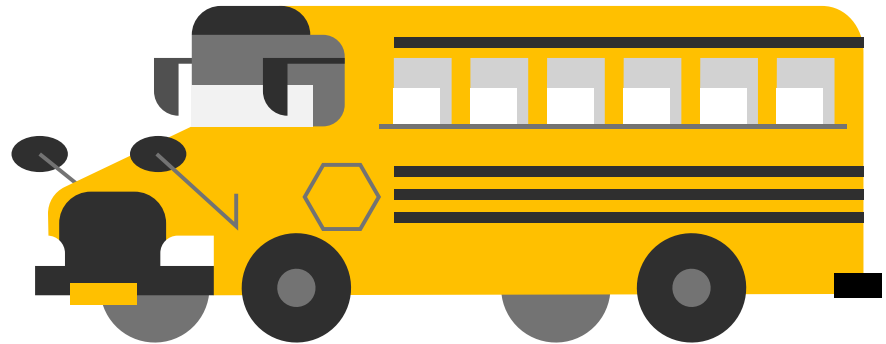

Campus Updates

- New SRO in the Elementary
- New press box and band bleachers on the football field.
 - Band bleachers will have a hard top.
- Updated bathrooms on the playground and football field
- Remodeled the football concession stand
- Removed asbestos tile in several classrooms
- Painted exterior trim and doors, hallways, and some classrooms
- Repaired roof damage
- Replaced ceiling in the workout room in Hicks Gym with metal.
- Replaced damaged or old HVAC units

Transportation Updates

- AC now in all school busses, except for 2 older ones
- New 14 passenger bus ordered
- 5 new busses purchased in the last 2 years

Technology Updates: Summer 2022

- 638 laptops purchased through the ECF grant
- 75" touch screen Smart panels added to 4 classrooms
- Next Gen Firewall purchased using e-rate to help us stay secure from the growing number of cyber-attacks
- 2GB up and down of internet
- New website and app

Lunchroom Updates

- COMMUNITY ELIGIBILITY PROVISION (CEP)
 - Continue to provide **ALL** students meals (breakfast and lunch) at **NO CHARGE**
 - Funded through United States Dept. of Agriculture (USDA) Special Assistance Certification and Reimbursement Community Eligibility Provision
- More food options for students including frozen yogurt
- Updated seating and decor
