Can't remember how many absences your child has?
Not sure how many credits they have earned toward graduation?

ParentVUE is a secure website which offers parents real-time access to this information and much more. Assignments, grades, attendance, credits earned, school and teacher contact and calendar information, and course schedules are additional types of school and student information available online.

ParentVUE is also accessible as a free APP at the iTunes and Google Play stores for iOS and Android devices.
