NOTICE OF VACANCY

School District of Florence County

4K-12 School Counselor

Florence County Elementary School is seeking a 4K-12 School Counselor. This position will support students with an evidence-based school guidance curriculum, lead Academic and Career Planning implementation, aid student scheduling, and post-secondary transition readiness and advisement. The School Counselor will foster working relationships with students and families while working and collaborating with both building staff, leadership, and external stakeholders and agencies.

The School Counselor will participate in Professional Learning Communities on a regular basis to analyze behavior and attendance. Florence School District values the continuous improvement for both students and staff through best practices and education of the whole child.

Please send a letter of interest, application, and licensure to:
