Stressing the importance of good nutrition, The School District of Greenwood announces the sponsorship of the Summer Food Service Program.

The Summer Food Service Program (SFSP), which is funded by the U.S. Department of Agriculture (USDA) and is administered by the Wisconsin Department of Public Instruction, provides nutritious meals to children during the summer, when free and reduced-price school meals are unavailable. **Free meals will be available to eligible children 18 years of age and under.** Persons over 18 years of age who are determined by a state or local public educational agency to be mentally or physically disabled and who also participate in a public or private non-profit school program during the regular school year may receive free meals as well.

Meals are provided to eligible children regardless of race, color, national origin, age, gender or disability and there will be no discrimination in the course of meal service.

To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410 or call (800) 795-3272 or (202)720-6382 (TTY). USDA is an equal opportunity provider and employer.
