School Boundary Early Planning

Bond Election 2020

- Sadberry Intermediate
 - Philosophical decision to lower the enrollment for this grade range from 1200 per campus to 600-800 students. This would allow for a more scaffolded approach to school size exposure for students.
- Haliburton Auxiliary Complex
 - Allows for the relocation of the current Maintenance and Transportation facility to allow for the opening of Sadberry Intermediate.
- RHS Addition
 - Addition of 14 classrooms currently in progress, anticipated completion December 2022.

Projected Enrollment

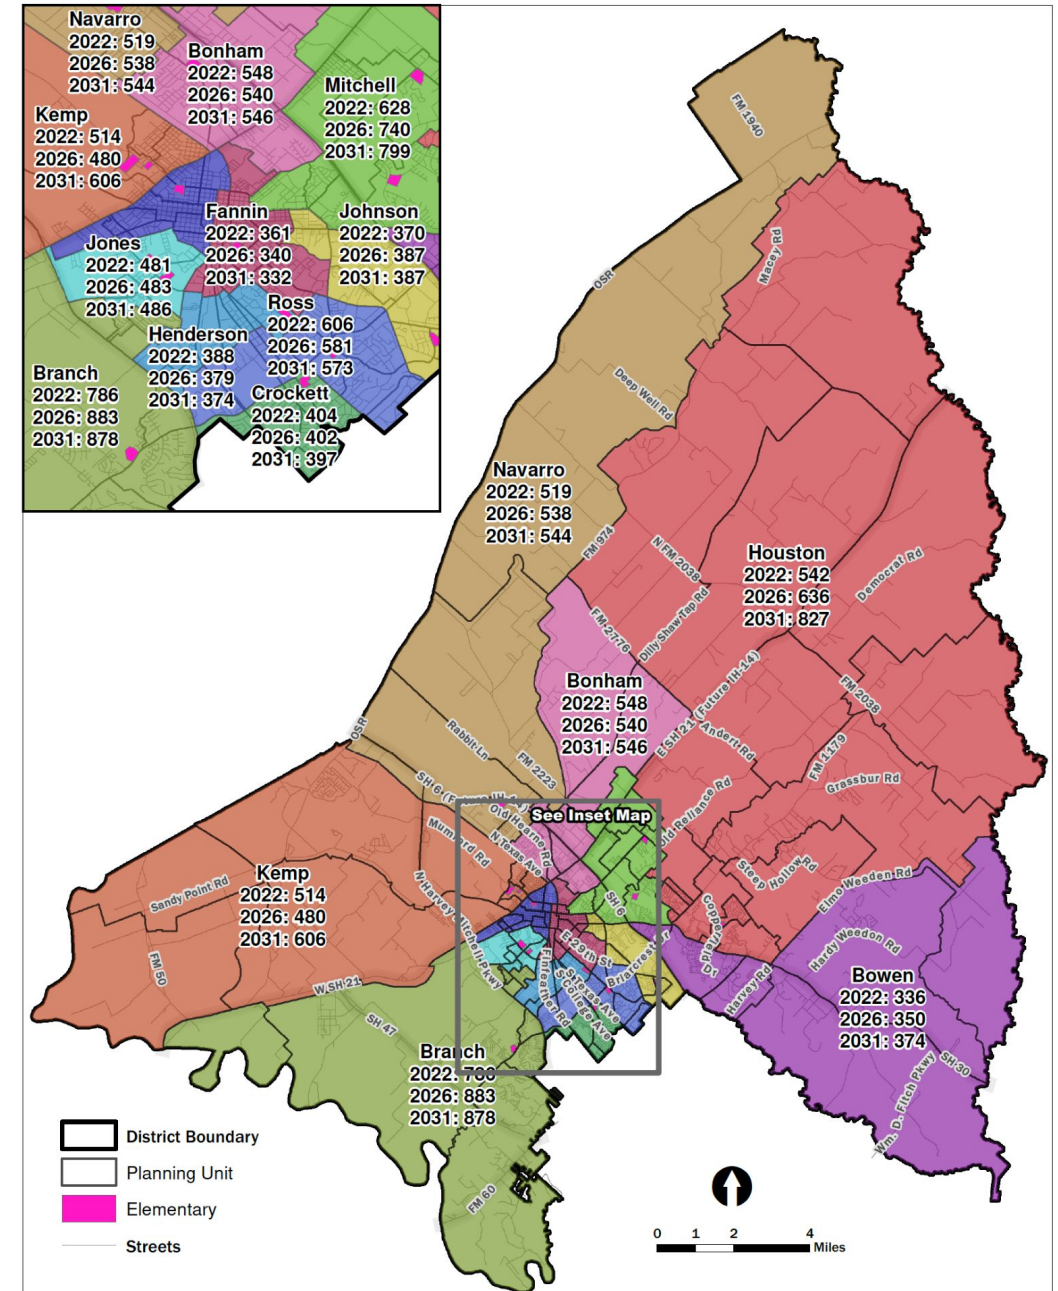

PASA Demographics

- Projected enrollment by campus based on current school boundaries
- Net Transfers
 - The impact on enrollment after considering all students transferring to or from a campus.
 - Program transfers play a large role in this impact.
- Projected Percent Utilization
 - Assumes that all programs will remain where they are currently located.

Cooperative Strategies Observations

- Branch, Henderson, and Johnson are the most overutilized facilities
- Bowen, Kemp-Carver, and Neal are the most underutilized facilities

Sample Feedback Scenarios

Topic #1:

- How important is it to have contiguous attendance areas?

Topic #2:

- How important is it to have all students at an elementary school attend the same intermediate school?

Topic #3

- Thoughts on the consolidation of programs?
