

Hebron Public Schools

Parent Forum 2019

*“Safety in our Schools:
An exploration of a School Resource Officer
program for the Hebron Public Schools”*

Thursday, January 10, 2019

GHS Activity Room

6:00—7:00 PM

The Hebron Public Schools and our community partners would like for you to consider attending this year's **Parent Forum**. The focus for the evening will be on whether the district should add a School Resource Officer program in the Hebron Public Schools. The Parent Forum is intended to engage parents and community members in this discussion before any formal decision is made.

A brief presentation on the following topics will be followed by an opportunity for questions and community dialogue.

What is a School Resource Officer?

Why is the BOE Considering this?

What would a School Resource Officer Program look like?

Why does your attendance at this Forum matter?

- It enables parents to meet, hear important information, share ideas, and provide feedback
- It provides parents with an opportunity to be heard and contribute to decision-making
- It will help to further partnerships between parents, schools, and community agencies
