#Building our Future

Construction Update: RHS EXPANSION - Week ending 1/11/19

Throughout the building, mechanical, electrical and plumbing rough-in continues, and "pre-rock" above-ceiling drywall work is underway. Insulation is being installed on the roof, and installations of precast wainscot and flashing on the building's exterior continue.

#Building our Future

Construction Update: VRMS REPURPOSING: Week ending 1/11/19

Prep work got underway this week on the footing/formwork for the monument sign and streetside sidewalks; the concrete pours for both projects took place this week. In the Boardroom's reception area, flooring and furniture was installed, and the dais is now complete. Display case in main entry is progessing nicely.
