

**Wilmington Area School District**  
400 Wood Street  
New Wilmington, Pennsylvania 16142  
724-656-8866

Dear Parent or Guardian:

The administration at Wilmington Area Middle School extends a warm welcome to you and your family as we approach the 2022-2023 school year. We are excited to offer a variety of academic programs that foster life-long learning, inspire excellence and encourage responsibility. The purpose of this letter is to highlight our student orientations, open houses and our student schedules.

### **Student Orientation**

An orientation will be held in the middle school gymnasium **Wednesday, August 31, 2022 from 9:30am - 11:00am** for new students, incoming fifth grade, and their parents or guardians. High School Upperclassmen will provide guided tours of the building to familiarize students to their surroundings.

It is our belief that everyone shares a responsibility in the academic achievement of our students. Administrators, educators, parents and students work together to maximize the time spent in and out of the classroom. To that end, please read through the student handbook. The handbook is in a digital format on the district's website. These guidelines are critical for establishing an environment in which all students can meet their maximum potential.

### **Student Schedules**

Student schedules are now available and can be accessed on ALMA. Every attempt was made to give students their first or second choice of elective classes, unfortunately due to class size limits and period constraints, not all students may have been able to get exactly what they selected. Students with altered schedules or errors in their schedule may make an appointment with Ms. Powell to make schedule changes. Schedule changes will not be made to student schedules because of teacher requests, or because students are not in classes with friends. Students making requests to change courses must acquire administrative approval. Unfortunately, not all requests can be accommodated.

***Appointments for schedule changes can be made by calling 724-656-8866 ext 2000.***

## **Middle School Open House**

Middle school open house will be held on ***Wednesday, October 12th from 5:30-7:00***. This will be a “meet and greet” so parents/guardians and students may visit at any time between 5:30 and 7:00. Open house will give you the opportunity to meet your student’s teachers and tour the building. We look forward to seeing you on October 12th.

Our faculty and staff are excited for the year and we ask for your cooperation and support in our effort to maintain a positive environment in which all students can learn. If you have any additional questions, please feel free to contact us, our extensions are provided below

Respectfully,

Principal, Mr. Kwiat - 724-656-8866 x2000

Guidance, Ms. Powell - 724-656-8866 x2020
