District Code: HMWR

I have multiple children attending school in the Cassia School District, do I need a Parent PowerSchool account for each child?

- No, Parents should only have one account for all of their children.

I have multiple children; do I complete one registration for all of them?

- No, each child will have their own registration that will need to be completed every year before the first day of school.
 - Once you're logged into your parent account, at the top you will see tabs for each child.
 - If you do not see each child, you will need to add them to your account.

How do I add my child to my account?

- You will need their Access ID and Access Password; you should have received a letter in the mail with this information. If not, contact the school they will be attending, and they can provide this information for you.
 - Once you're logged into your parent account you will select "Account Preferences".
 - Select the "Students" tab
 - Click "Add"
 - You will need to enter the Students legal name, Access ID, Access Password, and relationship.
 - Click "Ok"
 - Student should now be on your account and will have their own tab at the top of the screen.

Can I pay fees online?

- Yes, fees can be paid online.

High School Students: Is this registration for classes?

- No, this is only for school registration. School registration needs to be completed every school year before the first day of school.
 - Contact the school you will be attending for questions regarding classes.

What if I want my child to attend a different school within the Cassia County School District for the 2022-2023 school year, but is outside of my boundaries?

- Example: Student attended Declo High School last year, but now wants to attend Burley High School, and Burley High School is outside of the boundaries of where the student lives.
 1. You will need to complete an "Open Enrollment Form". Form can be found on the District Website or at the District Service Center.
 2. You will need to complete the "New Student Pre-Registration Form". Form can also be found on the District Website.
 3. Next, meet with an Administrator at the school you are trying to enroll in to complete the registration process.
 4. You will also need to withdraw from your current school before they will forward your school records.
