## CREATING ENTREPRENEURIAL OPPORTUNITIES

---

PrairieLand CEO, made up of students from the PBL, GCMS and Fisher high school districts, is preparing the next generation of strong effective leaders and being proactive in building our future economic growth through a transformational entrepreneurship program called CEO. Our community is seeking an innovative educator to facilitate the class - someone who believes that education extends beyond the classroom.

The CEO Facilitator will create a learning environment where students are encouraged to explore, discover and experience learning through real life activities. The facilitator's role is to model a passion for learning, connect with the students and community, collaborate with the CEO Board, and most importantly provide guidance to the students on their personal CEO journey.

CEO offers real life experiences through regular contact with local entrepreneurs and business people. Students in the program will come from area high schools and will meet from 7:00 AM to 8:30 AM Monday - Friday during the school year. Please send resume with references to [facilitator@prairielandceo.com](mailto:facilitator@prairielandceo.com) before January 31, 2019.
