Conference

Lisa van Gemert

**Acclaimed GT instructor
and "Gifted Guru"**

"The Five Headed Dragon: Threats to Giftedness"

**Friday, February 15, 2019
University of Central Oklahoma**

Lisa Van Gemert is an educator. She was a gifted student, has raised gifted kids, and has taught gifted students. She has been a teacher, school administrator, homeschooling mom, paralegal, Army Intelligence Analyst, and a cheerleader.

She believes GT stands for "Good Teaching" and "Good Thinking" as much as "Gifted and Talented." She translates research into language and strategies everyone can use to improve their performance, efficacy, and enjoyment in what they do.

She shares best practices with schools and conferences.

She is known as the Gifted Guru. www.giftedguru.com
