

GEHS Family Athletic Pass

10 Tickets for \$40.00

USD 231 believes that parental support for students leads to student success in school. We hope that parents and family members will take an active role in supporting students in their academic and extra-curricular endeavors. Therefore, GEHS offers a value-priced family activity pass to encourage parents to support their students at GEHS athletic events.

Each \$40 “punch” pass entitles the holder to ten admissions to GEHS home athletic events (tournaments and KSHSAA events not included), regardless of age. The pass is fully transferable and may be used to gain admission for anyone. This equates to only \$4.00 per adult admission.

Regular Home Ticket Prices (Tournaments not included)

GEHS	
Adult	\$7.00
Student	\$5.00

Twenty regular high school adult admissions would total \$140.00, but purchase twenty Family Pass admissions at only \$80.00 – a savings of \$60.00!!
