## Scholarship Application General Information

### Purpose

TOSCA scholarships provide opportunities for continued education through academic excellence. Individual scholarships range from \$250 to \$3,000 per academic year.

Scholarships are based on a combination of academic achievement and involvement within the community and school. Volunteer work and employment are also considered.

### Scholarships Available

Scholarships are funded by private donations made to TOSCA.

The awarding of individual scholarships and the amount awarded is at the sole discretion of the TOSCA Awards Committee with the approval of the TOSCA Board of Directors.

The number of scholarships and their dollar amounts will depend on the monies available, the number of applicants, and their demonstrated achievement.

Graduate School and Credential Program awards are based on the above criteria in addition to the number of units/credits in which the applicant is enrolled.

Receipt of a TOSCA scholarship award may or may not affect other scholarship funding or state and/or federal grant funding.

### Who May Apply

**Any graduate from a high school in the Newman-Crows Landing Unified School District in the year of 2009 or later who plans to enroll as a full-time student in the fall of 2019 may apply. - To receive scholarship payments as awarded, a student must be enrolled in a post-secondary program, be in attendance for the fall semester and be considered a full-time student as previously outlined.
