

Mackrille School

May Newsletter 2023

Principal's Message:

I can't believe we are in May and only 31 have days of school left. I want to thank all families, staff, students and presenters that participated in Science Night. It was an amazing event and we truly appreciate all of your support and time donated to this event.

We have some very important events coming up in May and June that we would like to invite you to attend. Our Learning Fair will be on May 19 from 2:00-3:00. You will be able to come into your child's classroom to view all of the work they've completed during the school year. Our field day will be on June 7 with a rain date of June 8. If you would like to help run an event at field day, please contact the PTA. As we get closer to the event, I will email parents with exact times so you will be able to watch your child participate in the outdoor activities. Each grade level will have a particular color to wear on field day.

Kindergarten-Green

First Grade-Yellow

Second Grade-Red

Third Grade-Grey

Fourth Grade-Blue Tie Dye Shirt

Preschool and ACES will participate in field day on another day. Please make sure to look for a flyer informing you of dates and times.

Please make sure to pay attention to the half days of school left in the school year. In May, we have a half day of school on May 24 due to teacher professional development and Kindergarten Orientation. In June, the last three days of school are half days-June 9, 12 and 13. Remember school hours for Kindergarten-Fourth grade is 8:55-1:20. AM preschool is 8:55-11:05 and PM Preschool is 11:10-1:20 PM.

If you are interested in being a lunchaide for the 2023-2024 school year, please call Amanda Murillo in the main office. As always, if you have any questions or concerns, please make an appointment, call or email me at Taryn.Driend@whschools.org.

SAVE THE DATE

Mackrille School Learning Fair

May 19, 2023

2:00 PM-3:00PM

Visit your child's classroom and see all their academic achievements. Two adults per child will be admitted to classrooms.

As part of Mackrille's Learning Fair, the Fourth graders will be transformed into characters from Greek Mythology. Come visit us to see their costumes and hear all about who they are. When you drop a coin next to a Greek character, they will come to life so bring some spare change with you.

We will use the funds raised to pay for our end of the year activities.

Fourth Grade presentation will be located in the gym.

**PARKING-ALL GUESTS WILL BE REQUIRED TO
PARK AT CIELO.**
