BETWEEN
BRANFORD BOARD OF EDUCATION
And
THE UNITED PUBLIC SERVICE EMPLOYEES UNION**

**ARTICLE I
RECOGNITION**

Section 1

In accordance with Connecticut General Statutes, Sections 7-467 to 7-477, the Branford Board of Education (hereafter "the Board") recognizes The United Public Service Employees Union (hereafter the "Union" or "UPSEU") as the exclusive bargaining representative for purposes of collective bargaining for the unit comprised of all maintenance and custodial employees of the Branford Board of Education excluding the Director of Buildings and Grounds and all others excluded by the Municipal Employee Relations Act (hereafter "the MERA"). The parties further agree to exclude the following positions from the bargaining unit: the Van Driver and the Athletic Department Launderers.

Section 2

- (a) Job descriptions for positions in this bargaining unit are attached hereto. The attachment of said job descriptions to the Agreement should not be construed as granting any additional bargaining rights beyond what would otherwise be required under M.E.R.A.
- (b) In the event written job descriptions are modified, copies will be provided to the Local President.

**ARTICLE II
PREAMBLE**

This Agreement sets forth the wages, hours and working conditions which shall prevail for the duration of this Agreement and which are designed to maintain and promote a harmonious relationship between the Union and the Board of Education and to encourage efficient service in the community. The Board of Education and the Union recognize that it is in the best interest of both parties and employees that all dealings between them be characterized by mutual responsibility, cooperation and respect.

ARTICLE III MANAGEMENT RIGHTS

Section 1

Except as otherwise modified or restricted by an express provision of this Agreement, the Board reserves and retains solely and exclusively, whether exercised or not, all the lawful and customary rights, powers and prerogatives of management. Such rights include but shall not be limited to establishing standards of productivity and performance of its employees' insuring that the incidental duties connected with school operations, whether enumerated in job descriptions or not, shall be performed by employees; selecting and determining the number and types of employees required to perform school operations; determining the objectives of the Board and the methods and means necessary to fulfill those objectives, including the creation or the discontinuation of services, departments, programs, processes, or operations in whole or in part and the establishment of contracts or subcontracts for school operations subject to Section 4 below; determining the content of job classifications; determining the qualifications of employees; appointing, promoting, assigning, directing and transferring employees; suspending, demoting, discharging or taking any other appropriate disciplinary action against its employees; relieving from duty its employees because of lack of work; establishing, modifying or discontinuing reasonable work rules; and the taking of all necessary actions to carry out its objectives in emergencies.

Section 2

The above rights, responsibilities and prerogatives are inherent in the Board by virtue of statutory provisions and are not subject to review or determination in any grievance or arbitration procedures, except where such rights are specifically abridged by an express provision of this Agreement.

Section 3

It is understood by the parties to this Agreement that the rights of each shall be exercised in a manner not contrary to the rights of the other guaranteed by the MERA, as the same may be amended from time to time.

Section 4

It is understood that the Board shall only subcontract work that would otherwise ordinarily be done by bargaining unit members under the following circumstances:

- (a) The bargaining unit members who would otherwise be performing such work are generally being assigned duties that they would otherwise be performing;
- (b) Prior to any subcontracting in accordance with this section the Board will first meet with a maximum of two members of the Local to confer regarding the

contemplated subcontracting, provided this shall not be considered negotiations within the meaning of the MERA;

- (c) It is understood that this section of the contract does not address the rights of either party in the event that the Board contemplates complete elimination of any particular bargaining unit work. In such a case, the parties' rights and obligations will be governed by the MERA.

ARTICLE IV

UNION MEMBERSHIP AND DUES DEDUCTIONS

Section 1

Each employee, at the end of the probationary period, may become a member of the Union.

Section 2

The Board will deduct from the 2nd paycheck of each month, Union dues for the preceding month of each employee who has voluntarily signed and filed with the Board, a currently effective authorization card. If for some reason an employee has no earnings due to him for the month or if an employee does not have sufficient money due to him after deductions have been made for social security, garnishments, or any other deductions authorized by the employee or required by Law, Union dues for that month will be collected by the Union directly from the employee.

Section 3

The Board shall, once each month, remit the total sum of dues to UPSEU together with a list of names of those persons whose pay deductions have been made.

Section 4

The Union shall indemnify and save the Board harmless against any and all claims, demands, suits or other forms of liability which may arise out of any provisions of this Article, including reasonable attorneys' fees.

Section 5

The Board shall make available electronic copies of the Collective Bargaining Agreement to the Bargaining Unit members no later than thirty (30) days following the signing of this Agreement.

ARTICLE V
PROBATIONARY PERIOD

Section 1

Newly hired employees shall be subject to an initial probationary period of one hundred eighty (180) calendar days.

Section 2

An employee may be disciplined or discharged at any time during the probationary period. Such discipline or discharge is without the right of appeal and is not subject to the grievance procedures set forth in this Agreement. Employees so disciplined or discharged shall be notified in writing of the reason for the discipline or discharge.

Section 3

After completion of the probationary period, any applicable sick, vacation and personal leave to which an employee may be entitled under this Agreement shall be prorated based on the date of hire and may be used in accordance with applicable provisions of this Agreement.

Section 4

During the probationary period, the employee shall not attain seniority rights under this Agreement. At the successful completion of the probationary period, seniority shall be retroactive to the commencement of employment.

Section 5

During the probationary period, the employee shall not be eligible for benefits pursuant to Article 9 under this Agreement. After the completion of sixty (60) calendar days of employment, the employee will be eligible to receive health insurance benefits pursuant to Article 9 on the first day of the following month.

ARTICLE VI
SENIORITY

Section 1

Seniority shall be defined as the continuous length of full-time service as an employee within the bargaining unit. Part-time employees' seniority shall be computed as the continuous length of part-time service as an employee within the bargaining unit.

Seniority for the purposes of promotion or job openings shall be applied to full-time employees only.

If the Board appoints a part-time employee to a full-time position, the employee will serve a new 90-day probationary period. If the employee does not successfully complete that 90-day probationary period, the employee will return to the part-time position.

Section 2

Seniority shall continue to accrue during authorized paid leaves of absence. Seniority shall not accrue during any unpaid leave of absence but if such absence is authorized by the Board, previously accrued seniority rights will not be lost by the employee because of such leave.

Section 3

An employee shall lose his seniority if he (a) resigns or is discharged; (b) is absent from work without notifying the Supervisor of Buildings & Grounds, or designee, and without an excuse satisfactory to the Supervisor of Buildings & Grounds, or his designee, which absence shall then be treated as a resignation; (c) exceeds a leave of absence without satisfactory explanation; (d) fails to accept recall from lay-off within five (5) days as specified in the lay-off provisions of this Agreement.

Section 4

Each September the Board shall furnish the Union with an up to date seniority list.

ARTICLE VII **WAGES AND BENEFITS**

Section 1

Wages shall be paid via direct deposit according to the schedule contained in Appendix A.

Section 2

Second-shift full-time employees and any employee assigned as a "flexible floater" shall receive a premium for all hours worked. Said premium shall be as set forth in Appendix A.

Section 3

Employees hired before 7/1/10 shall receive longevity payments by direct deposit, in accordance with the schedule below. Eligibility for longevity shall be determined based on length of service as of September 1st. Employees hired after 6/30/10 are not eligible to receive longevity payments.

<u>Branford Years of Service</u>	<u>Longevity Payment</u>
5 to less than 11 years	\$400
11 to less than 16 years	\$500
16 to less than 21 years	\$600
21 years or more	\$700

Section 4

The Parties agree to continue their participation in the Connecticut Municipal Employees Retirement Fund B.

ARTICLE VIII **HOURS OF WORK AND OVERTIME**

Section 1

The regular work schedule for full-time bargaining unit employees shall be forty (40) hours per week. Part-time bargaining unit employees shall have a regular work schedule consisting of less than forty (40) hours as designated by the Board or its designee. All bargaining unit employees are required to use the time clocks.

Section 2

Time and one-half (1-1/2) the employee's regular rate of pay shall be paid for all hours worked in excess of forty (40) hours in a given work week. Paid holidays and paid sick leave shall be counted as hours worked for purposes of computing overtime eligibility.

Section 3 - Overtime Distribution

Any grievance over the distribution of overtime work that may ultimately be claimed for arbitration after being processed through the grievance procedure must be processed in accordance with the State Board of Mediation and Arbitration rules for expedited arbitration. It is expressly agreed that no arbitrator shall have the authority to issue a monetary remedy in connection with such a grievance; rather, the only remedy available in the event such a grievance is sustained is that the grievant may be granted the right of first refusal on the next available overtime assignment entailing the same number of hours as the grieved assignment.

- (a) When the Board determines that overtime work is necessary and that overtime is not pre-scheduled, the Board shall continue its practice of using "on-duty"

employees, including floaters, to avoid the need to call-back employees on an OT basis. In cases where the Board determines that overtime is necessary and on-duty coverage is insufficient, or in cases where OT is pre-scheduled, the Board shall offer OT to employees on the voluntary OT list as follows:

1. First, to full-time employees within the school who are on the OT list for that school
2. Then, to full-time employees using the system-wide OT list

Since the “floater” has no school assignment, he shall only be offered pre-scheduled OT from the system-wide list.

The Board shall establish a voluntary OT list for purposes of assigning OT. Any full-time employee may elect to be on this list, and only those employees shall be called for OT assignments. Every six months, employees may request to have their names added to or deleted from this list. The list shall indicate if the employee wishes to be called for system-wide assignments or for in-school only assignments.

Prior to each six-month cycle, the Board shall notify employees of an open enrollment period for the OT list. At the beginning of each six-month cycle, the first assignment of OT shall be based on seniority. During the six-month period, employees may request to be removed from the list, but no one can be added during that time.

The Union shall receive a monthly accounting of all OT worked during that month. This shall indicate OT that was worked, unavailable (e.g., illness, vacation), or refused by each individual on the list.

- (b) Alarms - Alarms shall continue to be the responsibility of the Head Custodians.
- (c) Building Use - It is understood that full-time employees will be paid at the rate of time and one-half their regular rate of pay for “building use” assignments.

Section 4 - Minimum Call Back

If an employee (after working his regular shift and leaving) is called back for work, the employee shall receive time and one-half (1-1/2)-for all hours worked in excess of forty (40) hours in a given work week (computed as set forth in Section 2 above) with a minimum of two (2) hours or work to be provided.

Section 5

Individuals who are assigned to fill temporary openings in the classifications of Second Shift Supervisor and Head Custodian shall receive the rate for said job for all hours worked after two (2) weeks of said assignment.

Section 6

Individuals who are assigned to fill temporary openings out of the normal classifications shall receive the rate for said job for all hours worked after two weeks of said assignment, retroactive to the first day of the filling of such temporary opening.

Section 7

Employees who are required to work on Easter Sunday will be paid double-time.

ARTICLE IX **INSURANCE PROGRAM**

Section 1

- (a) The Board shall provide to all eligible full-time bargaining unit employees, and their eligible dependents, health insurance coverage under the following insurance plan:

The sole plan offered by the Board shall be a high deductible health plan (HDHP) with a Health Savings Account (HSA) including the following components:

	In-Network	Out-of-Network
Annual Deductible (Individual/Aggregate Family) (Note: preventive care not subject to deductible)	\$2000/4000	
Co-insurance	N/A	20% after deductible
Cost Share Maximum (Individual/Aggregate Family)	\$5,000/10,000	
Lifetime Maximum	Unlimited	Unlimited
Post-deductible RX co-pay \$10/25/40 (Effective July 1, 2024)		

The Board will contribute fifty percent (50%) of the applicable deductible amount for each eligible employee who elects coverage under the HDHP/HSA plan. The Board will make one-half of its 50% contribution in July and the remaining one-

half of its 50% contribution in January. The Board's contribution toward the deductible will be pro-rated during any partial years of employment (based on the total number of months worked by such employee in proportion to the entire July 1 through June 30 contract year). In the event that an employee retires or resigns from employment during a contract year, the employee shall reimburse the Board in an amount equal to the unearned portion of the Board's contribution toward the deductible through an adjustment in the employee's final wage payment(s).

The parties acknowledge that the Board's contribution toward the funding of the deductible is not an element of the underlying insurance plan, but rather relates to the manner in which the deductible shall be funded for actively employed custodians. The Board shall have no obligation to fund any portion of the deductible for retirees or other individuals upon their separation from employment.

Effective July 1, 2021, the employee premium sharing shall be fourteen (14%) of the respective monthly premium. Effective July 1, 2022, the employee premium sharing shall be fifteen percent (15%) of the respective monthly premium. Effective July 1, 2023, the employee premium sharing shall be sixteen percent (16%) of the respective monthly premium. Effective July 1, 2024, the employee premium sharing shall be seventeen percent (17%) of the respective monthly premium.

- (b) The Board shall provide to all eligible full-time bargaining unit employees and their eligible dependents, Anthem Blue Cross/Blue Shield Flexible Dental Plan, at the premium contribution percentages set forth in Section 1(a) above.

Section 2

If the Board determines that the total cost of a group health plan or plans offered under this contract will trigger an excise tax under Internal Revenue Code Section 4980I, or any other local, state or federal statute or regulation, during the term of this contract, the Board and the Union will, upon the request of the Board, engage in mid-term negotiations regarding the impact of such excise tax, in accordance with the Municipal Employees Relations Act (MERA).

Section 3

The Board shall provide full-time employees life insurance coverage in the amount of Seventy-five thousand dollars (\$75,000). All part-time employees scheduled to work in excess of one thousand (1,000) annual hours shall receive life insurance coverage in the amount of Fifty thousand dollars (\$50,000).

Section 4

The Board shall have the right to provide insurance programs as required by this Article through alternate carriers or through self-insurance. The programs, when taken as a

whole (meaning coverages, benefits and administration i.e., timeliness of payments and claims processing), shall be substantially equivalent.

Section 5

Part time employees shall have the right to be covered for all medical and dental coverages at their own expense at a cost that is equal to the full premium cost for active employees.

Section 6

Any employee who retires from the Board of Education (retires under the pension plan and actually initiates payments from said plan) shall have the right to be covered for all medical and dental coverages as active employees have, at their own expense. The cost of which shall be equal to the full premium cost as active employees.

Every effort will be made to schedule such meetings and hearing when such member and the grievant are not scheduled to be on duty so as to avoid any conflicts with job duties and responsibilities. In addition, the Local President, and the impacted individual where appropriate, will be allowed to leave from work for proceedings conducted by the State Board of Labor Relations pursuant to MERA. Also, when contract negotiations take place, every effort will be made to schedule negotiations sessions when Union Negotiations Committee members are not scheduled to work; if this cannot be accomplished, then negotiations shall take place at times so as to minimize the financial impacts on the Board.

Section 8

The Supervisor of Buildings & Grounds or his/her designee shall have the sole authority to approve or deny said application.

Section 9 - Workers' Compensation

- (a) Employees on Workers' Compensation shall receive from the Board, up to a maximum of twelve (12) months, any difference in pay that the employee receives from Workers' Compensation such that the employee suffers no loss in regular pay while on Workers' Compensation. If, prior to the end of the 12th month, the Board's Workers' Compensation carrier doctor indicates the employee will be able to return to full duty within six months he/she may continue to receive such paid difference until his/her return to duty or the passage of six months from receipt of the doctor's opinion, whichever is less. Thereafter, and for the duration of the

Workers' Compensation, an eligible employee shall be paid at the rate provided for in the Workers' Compensation Act.

- (b) During the waiting period after an employee applies for Workers' Compensation, and while eligibility is being determined, the Board shall pay the employee's regular weekly wages and charge this period of time to sick leave, so long as such sick leave exists in the employee's sick leave account. If subsequently a determination is made that the employee is eligible for Workers' Compensation, the Board will be reimbursed by the employee from the proceeds of the Workers' Compensation and an adjustment will be made to the employee's sick leave account.
- (c) Employees injured in the course of their official duties and in the performance of their work when such injury is compensable under Workers' Compensation laws shall not be charged for sick leave while receiving Workers' Compensation.

ARTICLE XIV

CLOTHING ALLOWANCE

Section 1

Full-time employees shall receive an annual clothing allowance of \$250, to be paid and deposited separately, this amount shall be pro-rated for part-time employees. Each member shall be provided with five (5) long sleeve shirts and five short sleeve shirts. All employees will be required to wear these shirts as part of their work uniform. Employees will also be provided one jacket. All worn out items may be exchanged for new items at no cost to the employee. Replacement of lost items will be the responsibility of the employee.

Section 2

It is understood that employees may be subject to a dress code.

ARTICLE XV

LAYOFF AND RECALL

Section 1

In the event there is a reduction in or a proposed reduction in the number of employees, the Board shall notify the Union and Unit President and the affected employee(s) as soon as possible, but in no event less than fourteen (14) calendar days before the effective date of the layoff. Employees on family or medical leaves shall be so notified.

Section 2

The order of layoff for employees covered by this Agreement shall be within the job title as follows:

- (a) Probationary employees, part-time before full-time;
- (b) Regular part-time employees (based upon the following factors: seniority and qualification based upon job description) before regular full-time; and
- (c) Full-time employees, (based upon the following factors: seniority and qualification based upon job description). Provided, if an employee does not hold enough seniority to remain in his/her own classification, he/she shall have the privilege of bumping the junior employee in another classification with less seniority providing he/she is qualified to perform the job in question. If there are two or more bumps into the same classification then the bumps will be in inverse seniority of the employees being bumped (i.e., junior employee, next junior and so on). All bumps must be to a lateral or lower classification.

Section 3

Employees who are laid off under this Article shall have recall rights as follows:

- (a) The affected employee shall notify the Superintendent of Schools in writing at the time of layoff that he/she requests placement on a recall list.
- (b) Employees who are laid off shall have recall rights to return to his/her former job title.
- (c) For a period of eighteen (18) months, the affected employee shall have the right to be recalled to the job title from which he/she was laid off, if a position in that job title should become vacant and the Board decides to fill said vacancy, or be reinstated to a position in a lower job which the Board seeks to fill if the employee is qualified.
- (d) No person shall be newly employed until all persons on the recall list have been notified by mail, and such persons either are offered re-employment, or declined such re-employment offer. An employee who declines an offer of re-employment shall forfeit recall rights. Full-time employees on lay-off shall not forfeit their recall rights for refusing a recall to a part-time vacancy. If a person on recall fails to respond to a letter notifying the employee of a recall opportunity within five (5) days of issuance of the letter, the employee shall lose recall rights.

ARTICLE XVI
COMPLETE AGREEMENT/PRIOR PRACTICES

Section 1

It is understood and agreed that this Agreement contains the complete agreement of the parties, and that it may be amended or altered only by mutual agreement in writing signed by the parties. The Board and the Union agree that each had full opportunity to raise issues and that all matters to be included in this Agreement have been presented, discussed and incorporated herein or rejected. Accordingly, it is agreed that for the life of this Agreement each party voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter whether or not referred to in this Agreement.

ARTICLE XVII
NO STRIKE OR LOCKOUT

Section 1

The Union agrees that during the term of this Agreement it will not call or sanction nor will its officers, stewards or International Representatives call or sanction any strikes, walkouts, slowdowns or other interferences with work.

Section 2

The Board agrees that during the term of this Agreement there shall be no lockout.

ARTICLE XVIII
JOB VACANCIES

Section 1

Temporary Openings - If an employee is expected to be absent from work for any reason for up to thirty (30) work days, the Board shall have the right to cover the absence by assigning a floater or by reassigning another bargaining unit employee within the building, on a temporary basis. In the event that those options are not sufficient to provide coverage, the Board shall have the right to reassign another bargaining unit employee from another building. The Board will reassign the most senior employee within the bargaining unit who is interested in covering the absence. In the event an absence remains uncovered the Board will have the right to assign the least senior bargaining unit member. If an employee is absent for an extended period of time (more than thirty work days) for any reason, the Board may fill the temporary vacancy with another bargaining unit member in accordance with this Article.

However, if the employee does not return to work, any replacement employee shall not be automatically entitled to fill the position. If the Board decides to fill the vacancy, it shall be posted in accordance with the collective bargaining agreement.

Section 2

Whenever there is a permanent opening in the bargaining unit, the job shall be posted for five (5) working days in all schools and a copy of the posting shall be furnished to the Union President. Interested full-time and part-time employees may apply in writing to the Personnel Office by the posted deadline. The Board shall first consider full-time internal applicants in filling the vacancy. The filling of such job openings shall be based upon consideration of the job description and all full-time applicants' qualifications, work history, and seniority. Work history shall be defined as an employee's documented disciplinary record and performance evaluations. Where the qualifications and work histories of full-time applicants are equal, the full-time applicant with the greater seniority will be given preference. If a full-time employee applied for and did not receive a promotion, the Board will send the full-time employee a letter stating the reason. In the event that all of the full-time applicants are deemed unqualified, based upon the job description and the applicants' qualifications and work histories, the Board will consider internal part-time applicants and external applicants for the position. Any employee who fills a vacancy under this section in the position of head custodian or night supervisor shall be subject to a thirty (30) working day probationary period. If the employee fails the probationary period, then the employee will be entitled to revert back to the position previously held, although not necessarily the same location.

Section 3

The Union shall be notified through the Unit President, in writing from the Board of Education, of the individual(s) who apply for all vacancies and including the individual awarded said position.

- (a) Effective with the signing of this Agreement, Job Descriptions shall be standardized for positions within the various classifications.

ARTICLE XIX

TRANSFERS

Section 1

If the Board of Education determines a transfer is necessary due to personnel issues or potential Board of Education liability, the Board of Education shall have the right to immediately implement a transfer upon notification to the Union.

Section 2

Transfer opportunities shall be posted for five (5) days in the event of staff reorganization or a change in the workforce structure.

Section 3

In the event that a transfer is required solely for the purpose of reorganizing or restructuring the work force, the affected employee shall have the right to “bump” or exercise his or her seniority and move to an open position that he is deemed qualified for on the same shift on which he/she currently works. Should no qualified applicants apply for the position an involuntary transfer shall be made based on inverse seniority. In case of an involuntary transfer the affected employee shall be given ten (10) working days’ notice prior to the transfer taking affect.

ARTICLE XX **PERFORMANCE EVALUATIONS**

The Board shall develop and administer periodically a performance evaluation process which shall measure and evaluate an employee’s performance. The results of performance evaluations may not be grieved through the grievance procedure. When there is a disagreement on the contents of an evaluation a meeting may be scheduled to review the evaluation if the employee requests it in writing. The signing of an evaluation does not constitute agreement of the contents of the evaluation, it only signifies receipt.

ARTICLE XXI **DURATION**

Section 1

This Agreement shall become effective on July 1, 2021 and shall remain in full force and effect through June 30, 2025.

Section 2

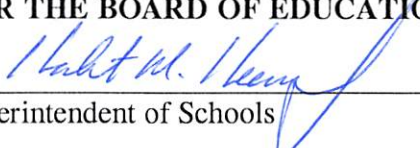

Negotiations for a successor agreement shall be in accordance with state statutes.

IN WITNESS WHEREOF, the parties have hereunto set their hand and seals as of the day and the year first above written.

**MEMORANDUM OF AGREEMENT
RE: SICK LEAVE**

The parties hereby agree to the following terms in conjunction with the negotiated modifications to Article XIII, Section 1 (Sick Leave).

1. Marc Collins shall be entitled to maintain the number of sick days listed on his pay stubs for the payroll period immediately following the date of the execution of the 1997-2000 Contract for purposes of sick leave usage under Article XIII, Section 1 (a) and (b) of the contract, subject to the following conditions.
 - (a) Marc Collins shall only be eligible to be paid for the maximum number of days set forth in Article XIII, Section 1 (d)/e) of the Contract (i.e., 100 or 15, whichever is applicable), upon normal retirement as set forth in said section of the Contract.
 - (b) If during his employment, Marc Collins seeks to use his accumulated sick leave days for a prolonged period of absence, the Board reserves the right to require medical documentation regarding the likelihood that the employee will be able to return to work; where it does not appear with a reasonable degree of medical certainty, that the employee will be able to return to work, nothing herein shall be interpreted so as to require the Board to continue paying the employee for sick leave except as applicable to all employees under Article XIII, Section 1 (d)1(e).
2. The parties hereby agree that with respect to all employees in the bargaining unit, other than the employee named herein, the maximum accumulation of sick days shall be as set forth in Article XIII, Section 1(a) of the Contract regardless of what clerical or payroll records may indicate.

We take the “hassle” out of submitting claims. When receiving care from one of over 2,200 Participating Dentists, the member simply presents an identification card showing dental coverage. The dentist arranges to bill us directly for all covered services.

For dental care provided by Participating dentists, we pay an amount equal to the dentist's usual, customary and reasonable charge for covered services as payment in full.

For covered dental services provided by a non-participating dentist, in or out of Connecticut, we pay either an amount equal to the dentist's usual charge for the average, usual, customary and reasonable charge as determined by us, whichever is less.

MEMORANDUM OF AGREEMENT

This MEMORANDUM OF AGREEMENT ("Agreement") is made by and between the Branford Board of Education (the "BOARD") and the UPSEU, the United Public Service Employees Union, Branford Board of Education Maintenance and Custodial Unit (the "UNION"). The BOARD and the UNION will herein be referred to collectively as the "parties."

WHEREAS, the BOARD and the UNION are parties to a collective bargaining agreement covering the period July 1, 2021 through June 30, 2025 (the "Collective Bargaining Agreement"); and

WHEREAS, the parties agree that it is in the parties' mutual interest to change the health insurance plan to the Connecticut State Partnership Plan 2.0 ("SPP") effective July 1, 2023; and

NOW THEREFORE, the parties agree as follows:

Effective July 1, 2023, subject to the conditions set forth below, in lieu of the health benefits described in Article IX of the Collective Bargaining Agreement and its corresponding Appendix, the Board shall offer each bargaining unit member eligible for health benefits under Article IX of the Collective Bargaining Agreement the opportunity to participate in the SPP for health benefits. Dental benefits shall continue (with the same employee premium cost sharing) as currently provided in the Collective Bargaining Agreement. The health plan benefits shall be as set forth in the SPP effective on July 1, 2023, including any subsequent amendments or modifications made to the SPP by the State and its employee representatives. The administration of the SPP, including open enrollment, beneficiary eligibility and changes, and other administration provisions shall be as established by the SPP.

- a. Promptly upon ratification of this Agreement, the Board shall apply to the State to admit this bargaining unit to the SPP. Should the Board's application be accepted, these provisions related to the SPP shall be implemented. Should the Board's application be rejected and reconsideration be denied, the terms of the Collective Bargaining Agreement shall remain in effect, subject to successor contract negotiations in accordance with statute.
- b. The premium rates shall be set by the SPP.
- c. Notwithstanding the employee premium cost share percentage set forth in Article IX of the Collective Bargaining Agreement for the 2023-24 contract year (16.0%), the employee percentage share of such premium cost shall be 15.0% for the 2023-24 contract year. The employee percentage share of such premium cost shall be 17.0% for the 2024-25 contract year in accordance with the Collective Bargaining Agreement.

- d. The SPP contains a Health Enhancement Plan ("HEP") component. All employees participating in the SPP are subject to the terms and provisions of the HEP. In the event that the Partnership Plan 2.0 administrators impose a HEP non-participation or non-compliant penalty on the basis of an employee's non-compliance with the terms of the HEP or any non-compliance on the part of any individual covered under the employee's insurance, any such penalty shall be fully paid by the non-compliant employee. The imposition of any resulting premium cost increase shall be paid by the non-complaint employee by payroll deduction and the imposition of any deductible shall be implemented through claims administration.
- e. The parties acknowledge that the Board has a management right to leave the Partnership Plan 2.0 at any time and replace such plan with a new plan/carrier/plan administrator, provided that: 1) the Board shall provide the Union with at least thirty (30) calendar days' written notice prior to the effective date of any such change; 2) the new plan/carrier/administrator shall provide coverage substantially comparable to the High Deductible Health Plan with Health Savings Account that was in effect for the Union immediately prior to the execution of this Agreement.

The terms of this MEMORANDUM OF AGREEMENT are recognized as a joint agreement by the Board and the Union, and the terms thereof shall not be subject to any grievance, administrative, judicial, or other challenge except where necessary to enforce the specific terms of this MEMORANDUM OF AGREEMENT.
